Revell, pastor of Temple Baptist church in Little Stukely, England. (The Foreign Mission Report prepared by Mrs.Temple is No. 40 in Reports Section.)

24. Address: Rev. Alf T. Revell. He brought greetings from the Temple Baptist Church and expressed appreciation to the Flat River Association for all the wonderful support that has been given in this ministry in England for several years. His question to the group was were we prepared to follow God as Ezra was prepared. Mr. Revell stated that so often pastors preach the Word but don't do the Word. It is so important that we study and do the Word. He further said we have to learn how to reach out to people and also mentioned that a typical Southern Baptist is a pew polisher. We are called to serve and not to sit. The world needs Jesus and Jesus needs those who will say "Here am I, send me." Begin by being a missionary where you are. He said not to tell him what your commitment to God is - show it. In order to teach people to reach people, we have to begin to make disciples. His message was based on Ezra 7:7-10 and Acts 1:8.

25. The host pastor, Rev. Charlie Smith, made announcements relative to the supper and offered the blessing for the meal.

The Designated Fund Report (No. 15A) balance was reported to be $17,721.98 with seven different funds included in the designated fund. The W.J. Some benefactors were not Baptist but were pleased with the way Baptists do things. Rev. Sherwood mentioned the importance of giving through the Cooperative Program as this gives us opportunity to work together and do things that we could not do alone. He expressed appreciation for all the support given to all our colleges and universities and was grateful for all that has been done for the Christian faith through our Baptist colleges and universities. Our Baptist colleges are doing a fine job training young people and we cannot afford to not support.

40. Moderator Averette expressed appreciation to Olive Grove for their wonderful hospitality and to all program personalities and reminded of the offering to be received as we leave.

41. Closing prayer was by Rev. Sam Brewer. (There were 205 registration cards turned in and the offering for Rev. Alf T. Revell was $243.84.)

B. Scripture and prayer were offered by Mr. Clyde Powell, laymen of Sharon Church. He recited Psalms 23 and made reference to how much this Psalm means to him.

67. Rev. Bob Wainwright introduced Mr. Paul Flores. Wainwright mentioned that last year, Carlos Oliveras worked with our Association, the Tar River and Yates Baptist Associations, to begin work year around with Spanish-speaking people in our area. Carlos located a fairly large group of Hispanics living in one area and began having services with them in February at the Fellowship Baptist Church. When Rev. Oliveras left this position, Paul Flores, a student at Southeastern, began working with this same group and also with other migrant workers in May, 1991.

(Gerald Rene) Frazier, Amis Chapel; and Treasurer: Mr. Norman S. Jones, Jr., Oxford Church; and invited Director of Missions Robert H. (Bob) Wainwright to stand with the officers.

74. Rev. Sam Brewer expressed appreciation to Mr. Tommy Averette for his dedicated service as moderator the past two years and presented a plaque to Mr. Averette in behalf of the Flat River Baptist Association. 78. Moderator Brewer introduced Rev. Randy Bridges, pastor of Hester Baptist Church, who would bring the Annual Sermon.

79. Sermon: Rev. Randy Bridges spoke under the theme of ''Partnership In Ministry.'' He read from I Corinthians 3:1-9. He made reference to the fact that we need to work together by a group of churches which make up the Flat River Baptist Association and wouldn't it be nice to have the unity in our churches as a hive of bees. We are laborers together with God and God blesses the increase. Every individual Christian is responsible for ministry. Consider those people who have made a difference in your life - those individuals who stand out as saints of God. He mentioned further that we had acted on a lot of things during this meeting and we need to commit and work together towards the end of that which we have acted upon. We are God's building - we are just one but are we making a difference. It is time that we cast aside our personal agendas, pick up God's agenda and do it for His glorification. Do whatever you do for the proper cause. We can know the Bible and not live it. In closing he used the poem entitled ''He Has No Hands But His Hands.'' He closed with prayer.

80. Moderator Brewer expresses thanks to Rev. Bridges. A motion for adjournment was made and seconded by several.

81. Rev. Sam Brewer gave the prayer of benediction.

82. The 198th Annual Session of the Flat River Baptist Association adjourned. (There were 215 registration cards turned in and the offering amounted to $425.75 which was divided between Rev. Malvin Tuck and the Missionary Residence Fund.)

Sunday School Report

Sunday School and being a Southern Baptist go hand in hand. It has been a source of strength, outreach, and growth in our long history of Bible study and discipleship are vital for both the internal and external growth of our churches. The trend in our association overall cannot be pleasing to us. Total enrollment decreased by 79and the number coming to church declined. Certainly this should concern us and alert us to the problem.

On March 5, 1991, our associational Vacation Bible School team went to Burlington for the State VBS Clinic. This was designed to train our leaders to teach clinics on the associational level. Two clinics were held at Pleasant Grove Church on April 30th and at Delrayno Church on May 7th. We had a total of 120 present for the two clinics. We are glad to report an increase of 138 in enrollment for our association. We had 32 churches having VBS in 1991. There were 54 professions of faith and 558 new prospects found. Our total offering from all the churches was $2,710.79. There were three mission VBS — Amis Chapel, Peace's Chapel and Pleasant Grove; two Backyard Bible Clubs led by groups from Delrayno and Pleasant Grove. We feel pleased at the hard work of the team, the leaders, and the churches for Vacation Bible School this year.

Please allow me to encourage each church to use the Breakthrough in Sunday School materials and other promotional and growth materials to increase our Sunday Schools for the coming year. Our Sunday Schools are important and may we give them proper priority.

Respectfully submitted,
Rev. Randy Bridges
Sunday School Director

Discipleship Training Report

Discipleship Training is a work God has called us to do. For a century the name of the organization which is assigned the task of training disciples has been changed several times but this present name reveals and proclaims its true responsibility in seeking to carry out the "Great Commission."

We encourage churches to get involved in trying to provide the best discipling organization that can be offered with a continuing training program or short term opportunities. We are grateful that some of our churches are offering new member training, equipping center modules, doctrinal studies, life courses, and Bible Drill activities. However, all of us need to be doing much more. The future growth of all Christians and our churches demands it.

An Associational Discipleship Training Team has been enlisted and all members attended the training which the Baptist State Convention provided for us. We have leaders in each age level: Adults - Michael Fogleman; Youth - Pat Baynes; Children - Rosa Overton; and Preschool - Virginia Tuck. Our team will be glad to assist churches interested in starting new work.

A Children's Bible Drill Kick-Off was held on October 6th at Providence Church with six churches participating with leaders, parents, and children attending. Congratulations

are extended to Nicole Raynor of Peace's Chapel Church who was a 3-year Children's Bible Drill State Winner this year.

In an endeavor to motivate our churches in training opportunities and to inspire us to greater interest, a Rally will be held November 24th at 7:00 P.M. at West Oxford Baptist Church. Mrs. Wendy Edwards, State Associational/Youth Consultant with the Discipleship Training Department, will be our inspirational speaker. We invite people to come together to be challenged to "wake up" to our responsibility to train all ages to become better disciples of our Lord and Master. Training will not just happen, we must plan for it.

In His Service,
Patsy B. Adcock
Discipleship Training Director

Woman's Missionary Union Report

The Woman's Missionary Union watchword for 1990-91 was from Ephesians 3:20-21, "To him who by means of his powerworking in us is able to do so much more than we can ever ask for, or even think of: to God be the glory in the church and in Christ Jesus for all time, forever and ever! Amen."

By God's power, we have had a good year in W.M.U. We now have work in all of the churches in the association, having begun work again in one church. This is indeed gratifying to know our ladies are concerned and caring about missions.

There are five age levels of W.M.U. - Baptist Women, Baptist Young Women, Acteens, Girls In Action, and Mission Friends - and each has held a special event this past year. Special emphasis was given to foreign missions, home missions, and state missions as well as associational missions.

The associational toy ministry was a big success last Christmas with a large number of children being reached and we have the expectation of reaching even more this Christmas. We believe this is a special way to reach out and win someone to Christ.

Each of us is a missionary and through W.M.U. we believe we can study to show ourselves approved, a workman who needeth not to be ashamed.

Edith F. Tuck

Brotherhood Report

What is Brotherhood? The purpose of Brotherhood is to engage men and boys in mission study and mission action. That is our goal for the coming year, to get more men and boys involved in missions. The greatest untapped resource we have are our Baptist Men, so we hope to get more of them involved.

We have had very good attendance at most of the activities this past year, beginning with the Baptist Men/Baptist Women Banquet. The largest attendance ever with about 465 people and all 33 churches were represented for the first time. The program was presented

by Mrs. C.H. (Pat) Frazier of Greensboro who performed the Annie Armstrong Monologue.

The RA Mission Fair and Car Competition was well attended with 12 churches represented and some good mission fair projects and some very close car races. The winners from each age group were eligible to go to the state competition.

We had a little rain for the RA Track Meet at J.F. Webb Field, but there was good fellowship and close competition. Avery good experience for the boys. Seven churches participated.

The RA Conclave was held May 31 and June 1 at Stateline Baptist Assembly. There were 25 boys and 10 men from 5 churches attending and we need more churches to get their men and boys involved in the Track Meet and Conclave.

We had a few boys from the Flat River Association to attend Camp Caraway in June.

We try to provide training for our Baptist Men and RA leaders each year and this was held September 23rd at Peaces' Chapel Baptist Church with about 30 leaders from 10 churches attending. More of our Brotherhood leaders need to take advantage of this training when offered.

The Baptist Men sponsored three Migrant Days during the summer and they were well attended. We appreciate the churches, Delrayno, Mountain Creek and Butner, for hosting these events. We want to say thank you to the volunteers from the different churches for helping with the food, drinks and sports.

We have a lot of work to do to get more men and boys active in missions. Won't you be a part of this by giving a hand? I ask your prayers as we begin the new year.

Respectfully submitted,
George S. Gresham
Associational Brotherhood Director

Music Report

In the Psalms, we are instructed to "make a joyful noise unto the Lord." Through music, we can communicate our praise and adoration to God. As church musicians, we are challenged to use music as an important part of our worship services and as an effective means of witnessing. I am proud to report that every church in our association has an active music ministry.

On November 8, 1990, we had a Music Update Conference for our association held at Corinth Baptist Church. Mr. Charles Storey, Music Director of our Baptist State Convention, led the conference. He shared musical techniques and new music materials available from the Baptist Sunday School Board. The conference was well attended with many of our churches represented. Hopefully, we can have another associational-wide music conference this year.

I would like to remind every music director to refer to our associational newsletter, published monthly, to find out about upcoming musical events. I would also like to encourage every church to share their music materials with other churches in our association. This exchange of music is handled through the associational office. By sharing our music materials, we can have access to new music without the expense.

In closing, I would like to say a special "thank you" to all of the musicians who serve in our association. I would especially like to express my appreciation to those musicians

who shared their talents in our resort ministry at Hibernia Campground this summer, and to those musicians who are providing the music for our annual meeting here at Olive Grove Baptist Church and at Sharon Baptist Church tomorrow. May God richly bless the music ministry in all of our churches, as we strive to glorify His name and reach the lost.

Sherree B. Preddy

The Missionary Residence Committee Report

The Missionary Residence Committee is recommending that the association purchase a brick house located at 111 Della Street in Oxford. The house has 1,282 square feet of heated living space, and a 1,238 square feet unfinished basement and carport. It has five rooms which include three bedrooms, living room, kitchen/dining room and two baths. It is located in a stable neighborhood convenient to schools and shopping. The owner has agreed to sell the house for $60,000 if it is approved at the Annual Meeting by the association.

We feel that this house would be adequate for most missionary families. It also has the potential for providing additional space as needed in the basement sometime in the future. Repairs will need to be made to the gutters and boxing along with necessary painting inside and outside. The roof will also need to be replaced in the near future. Missionaries will be expected to pay all utilities while they are using it.

Total contributions to the Missionary Residence Fund have been ($10,136.44) as of Oct. 4th. Of this amount, fifteen FRBA churches contributed $7,811.76. The balance received of $2,324.68 came from the 1990 FRBA Annual Meeting, the 1991 WMU Annual Meeting, the February, 1991 FRBA Senior Adults Meeting, sales tax refunds, interest accrued from the FRBA accounts, and individuals. Expenditures for newspaper ads, an appraisal on this property, and films/pictures totals $260.15. Balance in this fund is $9,876.29.

RECOMMENDATION ON MISSIONARY RESIDENCE

The Missionary Residence Committee recommends that the Flat River Baptist Association authorize the officers of the Association to proceed with the purchase of the house located at 111 Della Street in Oxford for $60,000.00 to be used by Southern Baptist missionaries on furlough. We further recommend that the FRBA Property Committee be responsible for seeing that necessary repairs to the house are made and to furnish it suitable for a family of five to use.

State Missions Report

State Missions - the North Carolina way - is to reach the people and places that cannot be reached by the churches. In order to do this we must preach the whole gospel of our Lord, put more emphasis on developing people in the image of God, and have intellectual integrity. State Missions is concerned as it extends its arm of Christian fellowship to meet the needs of all the people in the nineties.

The 1991 State Missions offering goal is $1,800,000. The offering will be divided as follows: Higher Education (11%); Fruitland Baptist Bible Institute (1.333%); Mission Ministries (39%); Christian Action League (1.667%); Caswell Debt Retirement (6%); Caswell Capital Funds (14); Associational (9.5%); Woman's Missionary Union, Heck Jones (10%); North Carolina Baptist Men (7.5%). All total, State Missions involves many different ministries across North Carolina. These programs serve as a vital link in the total World Mission responsibility of us as North Carolina Baptists.

God can accomplish His plan and His purpose through anyone willing to be used. He wants to include us. Each of us needs a ministry. It is important for us to be willing to get involved.

Stewardship Report

Paul wrote in Galatians 6:7, "Be not deceived; God is not mocked: For whatsoever a man soweth, that shall he also reap." We pastors encourage our people to be faithful in their giving, but we also need to remind the church to be faithful in its giving also. The church must set the example. With this in mind, many new and exciting things will be presented to the churches in the Association for the coming years. These ministries will require that we be faithful in our giving if we are to see an impact made for Christ in the communities around us. As Paul continued in verse 9, "Let us not be weary in well doing: For in due seasons we shall reap, if we faint not."

During the year 1989-90, the churches in our Association gave $208,725 through the Cooperative Program, and during the 1990-91 year the total giving was $210,379 which was an increase of $1,654 over the previous year. The Associational missions offering had an increase of $4,275 over the previous year. There was 100% participation in the Cooperative Program and Associational missions giving.

On May 28, 1991, an Associational Stewardship supper and meeting was held at Oxford Baptist Church with assistance from the North Carolina Baptist Convention Stewardship Deptartment. Another meeting is planned for May of 1992.

Please remember the Associational office stands ready to assist the local church in planning/or developing a direction for accomplishing local church goals.

Pastoral Ministries Report

Skilled pastoral and deacon leadership is crucial to the well-being of our churches. One of the stated mission goals of the Flat River Baptist Association is to study to strengthen churches. For that reason the Pastoral Ministries is planning two events for deacons and pastors in the coming year which will seek to facilitate understanding of these leadership roles and equip persons in ministry skills. On Thursday evening, February 20, 1992 at Oxford Baptist Church the Association will co-sponsor a Deacon Ministry Conference with personnel from the Baptist State Convention. We will begin with a supper at 6:00 p.m. and offer a variety of sessions from which deacons and pastors can choose. Details and material for promotion will be available in January. There is also a pastor/chairman of deacons retreat planned for late spring - date and details to be announced.

Missions Development Report

The position of Mission Development Director has proven to be exciting and very demanding during the 1990-91 associational year. With the formation and adoption of Strategy Planning by the messengers at the 1990 Annual Meeting, many new areas of development have surfaced. As Mission Development Director, I have assisted the director of missions in preparing an agenda and with the Executive Committee, enlisted the services of over 40 individuals to serve on Task Groups for the purpose of surveying and recommending to the Annual Meeting the Strategy Planning for our Association.

A number of requests were made to the N.C. Baptist Convention in funding mission projects through Cooperative Agreement and all requests were approved.

Without doubt the excitement of mission development centered around many years of migrant ministry in seeing the hand of God's blessing in the formation of a Hispanic Mission with the cooperation of the Fellowship Baptist Church near Creedmoor. What had in years past been a part-time ministry to migrants in the summer months developed into the calling of a Southeastern Seminary student, Paul Flores, as the Hispanic Minister for Flat River Baptist Association. The Mission attendance peaked in mid-summer with over 65 Hispanics attending Sunday services.

We had the privilege of seeing our first converts baptized into body of Christ in June, 1991 (5 baptisms). Also we were blessed to be a part of seeing the first Hispanics enter into Christian marriage (3 couples). Paul Flores will report in more details on this Hispanic ministry.

Many areas of mission development were discovered through ASP. May we as a part of God's total plan of loving the world, find our place in the call of missions here as well as around the world.

"For God has not given us the Spirit of fear: but of power and of love, and of a sound mind." II Timothy 1:7

Home Mission Report for 1991

What a joy it is to report that our association is involved both in giving financially and sharing personally in the field of Home Mission. Last year we gave $42,230 to Home Mission, this year we gave $50,567, an increase of $8,337 almost a 20% increase. We are happy to report that every church in Flat River contributed to Home Missions this past year. "Praise The Lord!" We also had several churches that went to the Home Mission field as well as our Association youth team.

Reports from the associational office are as follows:

* HESTER BAPTIST CHURCH YOUTH did mission work at the beach resort areas this past summer.
* MOUNTAIN CREEK YOUTH worked at Maggie Valley doing Backyard Bible Clubs.
* STOVALL BAPTIST MEN worked in construction in West Virginia.
* DEXTER YOUTH planted and harvested an acre of sweet potatoes to give to the needy.
* BILL AND EMMA BLAKE, workers in the Volunteer Christian Service Corp. from Island Creek Church went to Georgia to help a church that is almost six years old in maintenance and clerical work.
* PLEASANT GROVE BAPTIST YOUTH AND ADULTS went to Ruffs Dale, Pennsylvania near Pittsburg and did Vacation Bible School and Backyard Bible Clubs at the Ruffs Dale Baptist Church. Four Baptist Men from the church went at a different time to help electrically wire the church.
* OUR ASSOCIATIONAL DELAWARE MISSION TEAM went again to London Village, Delaware near Dover to have Vacation Bible School and Backyard Bible Clubs.

One note of particular interest is that the Marydel Church in Marydel, Maryland with which the Assocition Team and also Pleasant Grove's Youth Team worked is now sponsoring a mission with the hope of establishing another church on the Home Mission Field. So PRAISE THE LORD, associational mission work is catching! Thank you Flat River fora very, very good year in Home Missions.

Respectfully submitted,
Rev. Tommy Robertson

Finance Committee Promotion

First of all, we would like to thank all the churches for their financial support of the association this past year. Secondly, we thank our Lord and Savior for the material blessings that made this financial support possible.

In July of this year, we adopted the FRBA Budget for 1991-92 at the General Board Meeting. We have no further recommendations at this time. We are asking each church in our association to go on a percentage basis of contributing. Our request is that each church give four percent of its undesignated offerings to the associational ministries if at all possible. If you can't give four percent now, consider starting at a lower percentage and working up a little each year. In order for the association to help churches minister to the spiritual and physical needs in their communities, we must provide the financial support. This is our mission field and there are many needs to be met.

From our Treasurer's Report, you see that we have received the necessary funds to operate under our last year's budget. We have also received a sizable sum designated for specific mission programs and projects. We thank you again for this support and ask that you pray for our churches as they make decisions about their associational giving.

Respectfully submitted,
Mrs. Marion S. Powell, Chairman
FRBA Finance Committee, 1990-91

Report of Church and Community Ministries

This last year has been one of truly doing the work of the Great Commission. The Adopt-a-Wing at John Umstead is at a standstill, but Christians all over the country are praying for this ministry. This prayer request was put on the prayer line from the Home Mission Board and I have received cards, calls and even a small offering from people in many places throughout the United States.

The C.A. Dillon Youth Retreat was again a success. Fifty-four students, ten teachers and many volunteers took part. We thank you for the donations for crafts and refreshments. Again, twelve churches supplied birthday presents for the students. We gave each student at C.A. Dillon a gift bag of several items at Christmas.

All the patients from Granville County at John Umstead and Murdoch Center were given Christmas presents. Boxes of items for Christmas were taken to other institutions also. We have had several churches and many volunteers doing mission work this past year. If your church does any mission project, please let me know.

I cannot say too often of how much I appreciate each person taking the time to share in the love of Christ to "one of his children." May God bless each of you as you have blessed so many.

Respectfully submitted,
Virginia Tuck, CCM Director

Christian Education Report

The many changes which have taken place in the Southern Baptist Convention since 1979 have particular relevance for and the potential for significant impact upon the institutions, agencies, their trustees and the Convention. North Carolina Baptist institutions and agencies which may be affected include Gardner-Webb, Wingate, Meredith, Campbell, Mars Hill, Chowan and Wake Forest educational institutions as well as Baptist Retirement Homes, Baptist Hospital,the Baptist Foundation, Children's Homes and the *Biblical Recorder.* In response to the need for an evaluation of the Baptist State Conven-

tion's relationship with these institutions a special committee was appointed in May by the General Board to be known as the "Institutions Relations Committee." Their report is due in November, 1992. The members of this special committee are as follows: Lamar Brooks, Wilmington, is chairman. Other members are: Jean Abernathy, Marion; Dot Allred, Gastonia; Curtis Barbery, Bennett; Harold Bennett, Boone; Don Bolden, Burlington; Caralie Brown, Raleigh; Kathryn Hamrick, Shelby; John Hewett, Asheville; Milton Hollifield, Jr., Stanley; John Hough, Jr., Salisbury; James Johnson, Candler; Robert Poole, Elizabeth City; George Pulliam, Jr., Knightdate; Hobart Smith, Charlotte; A. Eugene Warren, Charlotte; J.L. Wilson, Winston-Salem.

Asking trusted people to serve on a committee for a period of time is a time honored practice when Baptists feel the need to take a hard look at ourselves in changing times. These 17 men and women request and deserve our prayers as they work to help us shape the future together in harmony.

North Carolina Baptist institutions and agencies have rendered distinguished Christian service for a total of 1,108 years! Pray that this tradition of service may continue.

Respectfully submitted,
Lenny Rogers

Auditor's Report

This is addressed to the Board of Directors of the Flat River Baptist Association. We have studied the Statements of Cash Receipts and Disbursements of the General Fund, Designated Fund and Edwards Fund of the Flat River Baptist Association (a non-profit organization) for the year ended September 30, 1991, in accordance with standards established by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of Flat River Baptist Association.

A review consists principally of inquiries of Company personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

The Association's Policy is to prepare its financial statements on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than generally accepted accounting principles. Consequently, certain revenues are recognized when received rather than when earned, and certain expenses and purchases of assets are recognized when cash is disbursed rather than when the obligation is incurred.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with the cash basis of accounting as described in the preceding paragraph.

Management has elected to omit substantially all of the disclosures required by generally accepted accounting principles. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the company's cash receipts

and disbursements. Accordingly, these financial statements are not designed for those who are not informed about such matters.

Choplin, Overton & Williams, C.P.A.'S
Henderson, N.C., October 21, 1991

(NOTE BY CLERK: A statement of cash receipts and disbursements prepared by the above accountant firm which is in a bound copy and contains twelve copies is on file in the Flat River Baptist Association office and a copy has been filed with the FRBA Treasurer's Reports/Records and may be seen by any interested party.)

Report of FRBA General Board

The FRBA General Board held three quarterly meetings in 1991 to carry on the work of the association between annual meetings.

The FRBA General Board met on January 15, 1991. A devotional message was given by Rev. Steve Waters, pastor, Grassy Creek Church. A motion passed to elect Rev. James Horton, pastor, Sharon Church, as Evangelism director to replace Rev. Chris Schofield who had moved from this association.

The recommendation from the Executive Committee to discontinue the Flat River Baptist Time radio program was approved and to investigate ways which the radio time and other media could best be used. Approved the election of Mrs. Dorothy Gupton, Mount Olivet Chr.; and Mr. Edward Goss, Concord Chr.; as members-at-large from the General Board to serve on the Executive Committee with terms ending on January, 1992. Members serving on the Association Strategy Plan Work Groups were approved. Recommendation was approved that FRBA make a request to Cooperative Agreement funds of the Baptist State Convention of N.C. in the following amounts: $600 for Resort Ministries; $3,000 for Church/Community Ministries; and $1,000 for Language Ministries.

The Missionary Residence Committee was given approval to determine if there would be enough support from churches in the association to purchase a missionary residence. Motion was approved that the Social Systems Task Group of the Associational Strategy Planning Committees look into the possibility of assisting the homeless people in our area.

At the April 16, 1991 meeting, Rev. David Wiedenman, pastor, Brassfield Church, provided the devotional message. The Missionary Residence Committee was given the authority to proceed with finding a house to be used as a missionary residence. A motion was approved to invite churches to receive a love offering during associational emphasis week for the missionary residence. It was decided that interest earned on the Operating Fund and the Designated Fund, as well as all sales tax refunds received by the FRBA, be transferred each quarter to the Missionary Residence account. Accepted recommendation from the Nominating Committee that Mrs. Patsy Adcock, Providence Chr., be elected as Discipleship Training director to replace Dr. Don Williams who has moved from our association. A motion passed that the FRBA General Board go on record as opposing the gambling bills (Senate Bill 2, House Bill 15, House Bill 21, and House Bill 341) and to contact our local representatives.

The FRBA General Board held its quarterly meeting on July 16, 1991. The devotional message was brought by Rev. Larry Zaky, pastor, West Oxford Chr. A motion was passed to establish a policy that persons presenting a motion and/or recommendation should

present the motion and/or recommendation in written form before presentation. Also approved was the recommendation to begin a policy that persons presenting a resolution to the Resolution Committee, should do so in written form whenever possible two weeks prior to the Annual Meeting of the FRBA. The Nominating Committee presented department directors for 1991-92: Discipleship Training director, Mrs. Patsy Adcock from the Providence Chr.; Woman's Missionary Union director, Mrs. Wanda Temple from Fellowship Chr.; and Brotherhood director, Mr. George Gresham from Peace's Chapel Chr. Also presented was Rev. Larry Zaky, West Oxford Chr., to fill the vacancy of Evangelism director replacing Rev. James Horton, Sharon Chr., who had moved from the area. Approval was given to send a note of appreciation and support to the food chain stores Winn Dixie, Food Lion, Kroger, and Harris Teeter for the decision to ban the new issue of *Vanity Fair* magazine because of its cover featuring a nude picture of pregnant actress Demi Moore.

I would like to thank each one that has been a vital part of the General Board and all that have supported the ongoing ministries of the Flat River Baptist Association.

Respectfully submitted,
Tommy Averette, Moderator

Senior Adults Report, 1990-91

Senior adult ministry in the Flat River Baptist Association is a growing ministry. We are grateful for those who join together for our quarterly meetings and special trips as well as those who meet in our individual churches on a regular basis. As we have fellowship through our covered dish luncheon meetings and trips, we experience spiritual enrichment, learning opportunities and service opportunities.

Last November at our meeting at Creedmoor First Baptist, the program was provided by a choir from the Senior Adult Center of Creedmoor. In February, we met at Providence Baptist with the program by Rev. Larry Hornbuckle of Macon, N.C. who presented a revue of magic and comedy. In August when we came together at Hester Baptist, we were inspired by the senior adult musical, "Some Golden Daybreak," presented by a 40-voice senior adult choir from Fuquay Varine and Pleasant Grove Baptist Churches in the Fuquay Varina area. At each of our meetings, our host churches did agreat job and we enjoyed so much delicious food.

It was good to hear that many of our churches recognized Senior Adult Day in May and had special programs and activities presented by senior adults. May I encourage you to observe Senior Adult Day next year on first Sunday in May.

The Senior Adult trip to Caswell on May 27-29 was a real blessing to the 33 who made the trip. While there we enjoyed a program at the conference center and did sightseeing in the area. We traveled on the associational van and the vans from Mount Zion Baptist Church and Oxford Baptist Church.

Our largest Flat River Senior Adult trip was on August 9th when 92 traveled on two tour buses to Richmond. This was a full day of activities including a tour of our Foreign Mission Board in Richmond; a cruise down the James River on the Annabel Lee Riverboat where we enjoyed lunch, live music and a Riverboat show; and ended the day with a shopping trip and supper at a shopping mall in Petersburg. I was amazed to see so many of the senior adults still so bright and sprite after such a busy day.

Our next meeting will be November 14th at Oxford Baptist Church and the program will be provided by senior adult groups in churches of Flat River Association. I would encourage all churches to organize some type of senior adult ministry and plan to join us in our next associational meeting in November. The increased attendance this past year is really something to brag about.

Respectfully submitted,
Rev. N. Malvin Tuck
FRBA Senior Adult Director

Report of Recreation Committee

There were eight teams playing softball in the 1991 season for women. They were: Hester/Enon; Mount Zion; Peace's Chapel/Pleasant Grove; Stovall; Gray Rock; Island Creek; Mountain Creek and Oxford Orphanage. Season winner in the Women's Division was Hester with a 14-0 standing. The tournament winner was Stovall. Oxford Orphanage received the Sportsmanship Award.

Nine teams played in the Men's Division. They were: Dexter; Hester; Mount Zion; Peace's Chapel; Stovall; Gray Rock; Bullock; West End in Henderson; and Creedmoor First. The season winner in the Men's Division was Gray Rock with a 15-1 standing. The tournament winner was Hester and the Sportsmanship Award was presented to the Bullock team.

This was an enjoyable season and we want to express appreciation to all members of the 1991 FRBA Recreation Committee - Mr. Wesley Adcock; Mrs. Betsy Reese; Mr. Sammy Whitt; Mr. Bill Frazier; Mrs. Sherri Jeffreys; Rev. Cam Ford; Rev. Terry Howard; and Mrs. Wyvonne Owens. This committee met several times getting ready for the season and during the season there were several decisions that needed the attention of the committee.

I feel that the overall character and sports of each of the men and women teams were far greater this year than any year since I have been involved as a player or member of this committee.

We plan to begin the season a month earlier next year in order to get our play-off season completed earlier. Thanks to everyone who has helped in anyway toward our recreational program.

Respectfully submitted,
Mr. Bobby Powell, Chairman
FRBA Recreation Committee

Evangelism Council Report

During this past year the Evangelism Council realized a need for our Association to begin to reach out to the lost and share the gospel with them. It was felt that in order for that to happen, we must begin to teach and train our members within the local church to share the scripture and witness for Jesus Christ.

After much discussion, the committee decided to develop a long-range plan of evangelism that would include seminars on a biannual basis, heighten the Association's need for evangelism, and lead toward a county-wide revival in 1993 or 1994. This year, the Evangelism Council sponsored an Evangelism Conference at Oxford Baptist Church. The conference was titled, "Equipping Laborers for the Harvest" and was held on September 13 and 14. Friday night was set aside for worship and prayer. On Saturday, there were seven conferences in which 55 people attended.

This coming year, 1991-92, the Evangelism Council has made arrangements for Dr. Henry Blackaby of the Home Mission Board to come and lead a seminar on "Prayer and Spiritual Awakening." This seminar is scheduled for January 31 and February 1, 1992.

We are looking forward to another great year in the Lord and many people coming to know Jesus as their Savior.

Respectfully submitted,
Rev. Larry R. Zaky
Evangelism Director

Report of Property Committee

The associational office building and the van have continued to serve us well this year. New carpet was installed in the conference room. It was necessary to replace the air conditioning unit in July. The 16mm projector was repaired in June and some used addressograph equipment was purchased and put into use in July.

Eleven churches used the van for 55 trips carrying 717 passengers averaging 13 persons per trip for a total of 12,280 miles.

There were 19 associational trips with an average of 13 passengers per trip for a total of 3,571 miles.

The van is available on a first come-first serve basis to Flat River Association church-sponsored groups of six to 15 persons for 10 cents a mile plus gas. We are grateful to those using the van for helping to keep it in good condition.

1. Group Care: Children live 12 to a cottage with a team of professional workers.
2. Emergency Care: Eleven Emergency Care Homes provide care for children who must be removed from their living situations immediately.
3. Maternity Home: Unwed mothers receive care in Asheville.

4. Therapeutic Camping: Boys sort out their lives in the wilderness.
5. Social Work Services: Persons provide referrals for crisis intervention, co-planning, and advanced education.
6. Child Development Center: Churches are trained to establish child care ministries.
7. Behavioral Change: Girls resolve conflict through confrontation and learn to live within society's rules.
8. Care House: Teen-age mothers learn parenting skills for their babies.
9. Parent Aide: In-home volunteers work with parents to prevent crises. BCH operates on an 8.2 million dollar budget with 280 employees.

The publication *Charity and Children* founded in 1887, circulates 42,000 copies. Free subscriptions are available by writing: Editor, Box 338, Thomasville, NC 27361-0338. Michael C. Blackwell, President since 1983, counted on the Cooperative Program, church designations, and the designated offerings for Homes and Hospitals to provide 35 percent of the operating budget for 1990.

This year BCH is optimistic as it anticipates the return of the Thanksgiving Offering in November 1991, the success of "Give a child a chance!" financial campaign, and Baptists' continued support of BCH through the Cooperative Program. BCH - North Carolina will donate 10% of all gifts over $500,000 for work in BCH in Sao Paulo, Brazil. Please pray about your part in meeting the desperate needs in North Carolina and Sao Paulo.

Director of Missions Address

THE ASSOCIATION LOOKING TO THE FUTURE

In just two years, we will begin celebrating the 200th Anniversary of the Flat River Baptist Association. Our Anniversary Committee is already working on plans for that celebration. We will celebrate our past and give thanks for all that God has done. We will look at the present, and see what God is doing now; but most important of all, we will look at the future and try to understand where God is leading us as we move into the 21st Century.

Associational Strategy Planning may be — can be, our springboard into the next century. The report is a five-year plan put together by 38 people from churches in this association after they had spent a good deal of time in research and study. I want to thank them for their hard work. The plan has five simply stated objectives and goals and action plans after each objective to guide us in meeting that objective. You have it before you, you have heard it discussed, you have voted to accept it. But I can "hear" some of you saying to yourselves, or your neighbor, "This is a lot of stuff — Who is going to do all of this? How are we going to pay for it? Why do we need to do it?"

In II Kings 7:3, we read about the four lepers. They thought they were dead either way — they would die of hunger, or perhaps be killed by the Syrians. They found that God had provided a way for them, and at first they thought only of themselves — they ate and drank and carried off booty. But then, they realized that wasn't right; they shouldn't keep this good news to themselves, and they went and told the king and those who were starving in the city.

I think we need to ask the question, "Why sit we here until we die?" In a special report on Church Growth from the Baptist State Convention of North Carolina in 1989, we have these words: "For more than a decade, the level of church growth and overall favorable image of Baptist work across our country has undergone severe change, resulting in images which are more negative than positive. Although there are exceptions, Baptist churches in N.C., in the main, have stopped growing in membership. Even more alarming, the number of baptisms and enrollment in Sunday School has declined over the past decade or so, with no arrest in sight. Needless to say, our church growth is not keeping pace with the state's overall population increase."

Our Associational Strategy Planning study groups reported that basically the same thing is true of our Association. We are not reaching the new people coming into our area. Church membership, Sunday School enrollment and Baptisms are down.

There's a story about a frog in a kettle that has been around a long time. George Barna has entitled a book he has written, *The Frog in the Kettle.* The story goes, that if you drop a live frog in a kettle of boiling water, he will jump out if there is anything for him to jump from. On the other hand, if you put a frog in a kettle of cold water and gradually heat it, the frog will not jump out and will be boiled. Why sit we here until we die?

The recommendations of our Associational Strategy Planning Committee are ways that we can share the good news with a dying world, and I believe God will provide a way if we are faithful to Him.

I have seen many changes in my lifetime, but many of you have seen many more. How many of you remember when there were no car, airplanes, electricity, telephones, central heating, air conditioning, radio, televisions, space travel, automatic washers and dryers? Etc. George Barna tells of other changes that are coming. By the year 2,000, one out of every two family households will have a computer. By 1995, we will have to convert

our telephone system to a 10-digit number — actually, 13 with the area code. They have on the drawing board technological advances, such as mobile telephones the size of credit cards, and remote control weed pickers. That's the one I'm waiting for! Our world is changing, and advancements are being made whether we like them or not. Most of us are adjusting to them pretty well. I didn't see anyone drive up today on a horse and buggy. Change is inevitable, and we must face it, or we will sit here until we die. Our Associational Strategy Planning objectives are designed to help us take control of change and use it to make us more effective in reaching the lost for Christ. It is away, that working together, we can get our people involved in church growth, outreach, missions awareness and meeting human needs. You will notice that the actions in the report are assigned to many different leaders in the association to carry them out. This emphasizes that the work of the association is not done by one or two people, but many different people. One of our goals over the years has been to involve many different people and not load down a few. We try to have someone from every church in the association serving somewhere. You will notice also, that some of these actions will call for funding that is not in our present budget. If all of our churches would give 4% of undesignated funds to the association, I think we would have adequate funding. There are only 11 churches now giving on a percentage basis. Seventeen churches haven't increased in the last two years. I think it is the fairest way to support our mission work, both in the association and on the Convention level. It is fair for the large church and the small church. As your undesignated gifts increase or decrease, the amount you give will increase or decrease. I encourage you to examine your church's giving and if your church is not contributing on a percentage basis, to consider doing so. It's true that we have not been growing as we should, but we need to realize that for the most part, people are not hostile toward religion lest we become discouraged. Poll after poll confirms some surprizing figures:

* Nine Americans in ten say they have never doubted the existence of God.
* Seven in ten believe in life after death.
* Eight in ten believe God still works miracles.
* More people go to churches and synagogues in any week than to all sports events combined.

Can you believe that? So, there are still many positive things for Churches to build on, but we must be willing to go into the camp of the enemy, as the Lepers did, and find out how God will lead us to meet the challenges of our day. George Barna indicated that he believes churches in the future will continue to face the growing challenge of secularism, relativism, cultism, and growing neopaganism. He says churches must find new methods and programs designed to present the Gospel clearly to modern Americans and make it relevant to their lives.

I believe that the objectives outlined in this report will allow our associational leaders to bring it about. This report is from the churches — to the churches and the world. What we do with it will be up to you and your church and how you respond to the opportunities offered here. Church clusters is one opportunity. Dr. Keith Parks said recently that we cannot remain comfortable living in luxury and impact the world. God blesses us so that we can be a blessing. Does God love us more than the starving people of the world? No! We are to be a blessing or God will choose someone else. In an associational meeting in England in 1791, almost 200 years ago, William Cary said, "Expect Great Things from God — Attempt Great Things for God." This was the beginning of the modern missionary movement. We cannot get ahead of God, and there is great danger in lagging behind God.

Pray with me that God will guide us as we seek to follow Him in the year ahead as we look into the future.

Report of Resolutions Committee

We, the members of the Resolutions Committee, bring the following recommendations that:

7. We recognize Mr. George Gresham for many years of faithful service to the association as Brotherhood Director from 1967 to 1984, Moderator in 1985 and 1986, returning as Brotherhood Director in 1990 until present. Report of FRBA Youth Council

I regret that I am not able to make this engagement. I am away on another seminar that I committed to before I set dates in my 1991 calendar. Please forgive me for not being at the Annual Sessions.

Our youth in the association have made some headway this year. We have done many things to promote fellowship and evangelism amoung our youth.

On March 16, Rev. Larry Hornbuckle came to our Youth Night and estounded the youth with a sleight of hand tricks and a testimony that challenged the eyes, minds, and hearts of those attending. Although an invitation was given, there were no responses.

On July 12, "Witness" the Contemporary Christian Singing Group, (a state convention supported group) came to Northern Granville Middle School and led the youth in a worshipful time with music and testimonies. An invitation was given and there were several rededications. Ice cream was served following the concert.

On September 13 & 14, the FRBA Evangelism Council sponsored an Evangelism Conference and Rev. Larry McElreath, director of missions of Sandy Creek Association, came and led seminars in the area of Youth Evangelism and shared many great ideas about getting youth to evangelistic events.

We have many plans for the coming year to help our group increase. This year we hope to promote the associational youth group by entering a float in the Oxford Christmas Parade on December 1. We will work in two shifts: 9:00-12:00 a.m. and 1:00-4:00 p.m. on November 16, 23, and 30. We are still looking for a trailer to decorate, a dry location to keep our float, and any materials that can be donated.

The Delaware Youth Mission trip is always a success. This is a trip that several of our youth participate in every year.

We are also looking at the possibility of a Youth Crusade in the Flat River area in the near future.

There are several things you as a church and as individual scan do to help our youth to grow in Spirit and in number.

You can pray for our youth that they will become burdened for the souls of their friends, that they will grow in Spirit, and that they will see the need of an alliance with a good sound church.

You can support them by encouraging them to get involved for the fellowship, by participating in some of the events, by donating your time and finances to enable us to do more things with them.

Finally, please know that any and all activities are coupled with Bible study and evangelism.

Respectfully submitted,
Rev. Tim C. Worthington
Youth Ministry Director, FRBA

Report of the Delaware Youth Mission Team, 1991

Members of the 1991 Delaware Youth Mission Team and churches they represented: Karen Taylor, Tally Ho First; Amy Nicholson, Enon; Bradley Edwards, Island Creek; Timmy Baynes, Providence; Susan Frazier, Mountain Creek; Jayne Coats, Mountain Creek; Marvin Campbell,Stovall; Wendy Hopkins, Florence Avenue; Miranda Ellixson, Florence Avenue; Beth Rhoden, Delaryno; Renee Lloyd, Delrayno; with Reverend Terry and Marilyn Howard, Bullock Church, as team leaders.

Continuing our cooperative relationship with London Village Chapel in Magnolia, Delaware, from July 14-20 we worked in the mornings in Vacation Bible School and gave assistance in the special activities during the evening services. We were totally responsible in leading Backyard Bible Clubs in the area of London Village in the afternoons. There were several professions of faith in Jesus Christ during our stay in London Village.

This association can be proud of the work these young men and women labored to do on this mission field. Their cooperation and energies were inspiring to all and uplifting

to the name of Jesus. Thank you again, churches of the Flat River Baptist Association, for your support in making this work for our Lord possible.

Honduras Project Report

In January of 1991, we worked on building a prefab chapel at a new mission in Tegucigalpa, Honduras. This church is an outreach of Comunion Baptist Church which some of our teams worked on before. It is called Salem Baptist Church and is located Colonia Central America West. In an area about the size of 5 or 6 blocks of Oxford, there are over 10,000 people who have no evangelical witness. This church gives them an opportunity to hear the Good News of Jesus Christ. The team members who went were: Bob Wainwright from Oxford, Chr.; Bobby Temple from Fellowship Chr.; Rascoe Massey, Dewey Boaz and Marvin Maddrey from Yanceyville, N.C.; DeWayne Tiller, Matthew Tiller and John Petty from Oregon.

Construction has already started on a permanent building on this site and the first rooms are almost complete. The temporary prefab building will be taken down and moved to another site that has already been selected and Bible studies are going on in the homes there now. You can see how much can be done with just these limited resources. But the exciting part is not the buildings; it is the people whom you meet and get to know and who come to the Lord. We finished the building around Friday noon and poured a concrete floor all afternoon and into the night. We were then invited, as dirty as we were, into the home of Delmy Suazo. They had prepared a cake for us that said, "Gracias, Hermanos," "Thank you, Brothers." Without your buying the land and building the building, they would have no church. They couldn't do it on their own.

Thank you, too, for your help in sponsoring the Honduras Choir that came here and assisting in the trailer, generators, engine and many clothes, over 10,000 pounds total, that has been sent there. Jesus said to go and make disciples of all nations. Our missionaries ask for your prayers above all other things. It is the lifeline to their work and our goal of reaching the whole world for Christ.

Respectfully submitted,
Bobby Temple

Report of Ordination Committee

The Ordination Committee of the Flat River Baptist Association had the honor to meet twice this year. The first meeting was called on December 2, 1990 to examine Mr. Robert McDonald Brown (Don) after request from Creedmoor First Baptist Church. Mr. Brown's ordination service was held January 6, 1991 at the Creedmoor First Baptist Church. He is serving as pastor of the Antioch Baptist Church, Timberlake, N.C. in the Beulah Baptist Association.

Mr. Roy Lee Vestal was examined on May 5, 1991 after request from Creedmoor First Baptist Church and his ordination service was held May 19, 1991 at the Creedmoor First Baptist Church. He is serving as pastor of the New Hill Baptist Church in Wake County in the Raleigh Baptist Association.

The Ordination Committee, along with Rev. Bob Wainwright, questioned Mr. Brown and Mr. Vestal about their lives and ministry. Both men were examined according to the guidelines found in Article 10 Section 4 of the Association's ByLaws. After each meeting the Committee voted unanimously to recommend these men for ordination to Christian ministry.

Christian Life Committee Report

The life of the Christian is a difficult one. Around every turn are issues and events that cause us to evaluate and assess our personal spiritual stance. Christ calls us to THINK through the life's challenges. The Christian Life Committee wishes to remind us of that calling of Christ Jesus.

As His disciples, we are to become the very best of persons. We are to strive toward perfection in His name. All of our acts, whether in private or public, need to be to the glory and honor of Christ Jesus. We need to gird ourselves in the presence of Christ and the Holy Spirit as we struggle through our Christian lives.

Many of the problems and issues which we face during this past year have not differed from previous ones. Homelessness, hunger, AIDS and related syndromes, pollution, child and spouse abuse, sexual abuse, teen-age pregnancy, recycling, and many others are forever rampant. It behooves all of us as Christians to seek any pertinent information concerning these and other vital issues in life.

Let us remember that anything that affects another, affects us. Christ has called us to be accountable for the ways in which we minister to ALL of his creation. We who call ourselves by His name, i.e. Christian, need to make educated and prayerful decisions about our responses to the issues that affect Christ's people. Pray for His wisdom as you decide where you will stand. Stand firmly, but gracefully in His name. And mostly, do so that He will be honored and glorified by us, and that His kingdom might be strengthened.

Rev. Stephen E. Brock-Loftis, CHM.

N.C. Baptist Foundation Report

The Board of Directors and the staff of the North Carolina Baptist Foundation are committed to effective leadership in generating increased perpetual financial support of Baptist causes throughout the state, nation and world. With assets approximately $27 million (market value) at the end of the 1990 fiscal year, the income distribution to Baptist causes is significant each year.

Earned income distributed to Baptist institutions and mission causes during fiscal year of 1990 was $647,180.00. Earned income distributed to individuals with Baptist causes named as charitable remainderman during fiscal year of 1990 was $686,124.00.

In 1990, the Foundation moved into a new home. The 6,000 square foot office building was constructed from gifts from individuals and is located on property provided by the Baptist State Convention next to the Baptist Building in Cary. Baptist groups are invited to use the meeting rooms when in the Raleigh/Cary area. Ed Coates, executive director, extends an invitation to church groups to call and arrange a visit to the newest building used for the Lord's service by North Carolina Baptists.

In June, 1991 three staff members of the Foundation met in Oxford with several FRBA donors and trustors to say "thanks for your participation," and to encourage continued involvement in letting others know of the Foundation ministry. Little by little more individuals and groups are using that ministry to spread the Good News of the gospel of our Lord.

Report of Baptist Retirement Homes of North Carolina

The Baptist Retirement Homes of North Carolina, Inc. operates four residential facilities for Older Adults around the State. A lot of exciting things are going on at these facilities.

In Asheville, after more than five years of trying to get approval to build a nursing care bed addition, the Baptist Retirement Homes was awarded a Certificate of Need for 100 medicaid certified nursing care beds for its Western North Carolina Baptist Home on Richmond Hill. Currently, the only nursing care unit at the Brookridge Retirement Community in Winston-Salem, the addition of these 100 medicaid certified beds will provide quality nursing care to Westen North Carolina Baptist regardless of the ability to pay for services needed.

This will cost approximately 2.8 million dollars. At the present time, the Baptist Retirement Homes has raised 2 million dollars. Baptists across western North Carolina are being urged to help meet the financial challenge of building this new unit.

In Winston-Salem, the Brookridge Retirement Community, in its second year of operation, is considered among the finest in the State, in its Independent Living Area and its Health Care Unit.

In Albemarle and Hamilton, quality care is given to Older Adults regardless of their ability to pay for the cost of the care they receive - a service unmatched by any other church related long term care institition in the State.

Please support these ministries with your prayers and financial support. Help make life for Baptist Older Adults the Best of Times.

Annuity and Retirement Report

Protection is an instinct each adult has toward his spouse and children. It hurts to see a child fall or a spouse passed over for a promotion. We want to shield loved ones from the hurts of everyday life.

That kind of protection is impossible, but there is financial protection available to ministers that can provide a life-saving margin for his family in the event of his disability or death. The good news is it costs him nothing if he is an eligible participant in the Church Annuity Plan.

The Protection Section of the Church Annuity Plan is provided by the state convetion, and includes several benefits. These benefits can mean receiving:

..up to $67,500 in special survivor benefits if you die prior to retirement, or while receiving a disability benefit.

..up to $300 a month if you become disabled and unable to perform any gainful employment due to physical or mental incapacity.

Additionally, up to $35 each month can be credited to your retirement income account during your disability and your survivor benefits will remain.

This valuable family protection is funded from Cooperative Program dollars that match dollars contributed to your account by you and your church.

"The Church Annuity Plan offers significant up-front family protection that leaves your dollars free to build your retirement security. It is an important benefit that many ministers overlook in the retirement plan," Frank Schwall, senior vice president of Member Services.

The average annuitant in North Carolina received $287.43 per month, up from $234 last year. North Carolina has 3,396 members making contributions to Annuity Board retirement plans.

It is exciting to think about what has been done to help ministers retire with dignity and to have protection as they plan for retirement. Strong efforts have been made to make all of our churches (and ministers) aware of the opportunities and the need to act on them.

But there is still much to be done! Small contributions make the annuitant's benefits small. There is a GREAT challenge still before us to help ministers prepare for the future and to help churches be responsible employers.

For more information about enrolling in the Church Annuity Plan, call the Annuity Board's toll free number, 800-262-0511. In North Carolina, you make contact Jim Lambert, administrative associate for minister support, 800-395-5102.

Foreign Missions Report

In a day when so many people are reluctant to make long-term commitments to anybody or anything, Southern Baptists are committed to caring for people who do not know about Jesus.

Just as Jesus called His disciples to a life of obscurity, loneliness, discomfort, danger, inconvenience, ridicule, risk, sacrificial servanthood, obedience, dependability, commitment, even death, He also promised to be with then wherever they went. He gives the same call today, along with the same promise.

Thousands of missionaries across the years have borne faithful witness to our Lord. This year, 3,900 missionaries were assigned to121 countries. Each missionary is called of God to be His servant and they have given evidence of a level of commitment beyond most.

With growing awareness of the urgency, Southern Baptist are faced with difficulties. We stand at a most critical time in our history. With disasters rising and relief funds dropping, we must continue with our commitment to the lost.

We need to pray for our missionaries in times of discouragement, and burnout, temptation, exhaustion, and depression; in times of victory, enjoyment, and excitement.

We need also to consider our commitment of financial support. God has given us all a part of His ministry. Some He has called to serve, some He has called to go; whichever one He has given to you, we need to do the best with the ability God has given us.

Respectfully submitted,
Mrs. Wanda Temple

The *Biblical Recorder* Report

The Baptist world is changing rapidly; some would content it is for good while others think it is nothing short of a tragedy.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic, fast-food, everything is disposable age! We often think we know the answers only to discover later we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches and the denomination they comprise, can survive long without an informed, involved constituency which makes corporate decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the *Recorder*, Church News Service (CNS) was launched in 1990. This system lets any

congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. We are steadily adding churches to the CNS program.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and chruches in their witness and ministry.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact: The *Biblical Recorder,* 232 West Millbrook Rd., Raleigh, NC 27609 or call (919) 847-2127.

American Bible Society

The report of the American Bible Society contains many impressive Scripture translation and distribution statistics, tables, maps, graphs, and dollar gift amounts which will show how the ABS has ministered to millions of people around the world because you cared. Your remarkably generous contributions in 1990 made it all possible. We want you to fully realize in your heart of hearts that YOU WERE THERE all during 1990, as we sought through the partnership establised between your denomination and the ABS to carry out Jesus' last command on earth: The Great Commission.

The total number of languages into which at least one books of the Bible has now been translated is 1,946. During 1990, there were 18 different languages into which at least one book of the Bible was translated for the first time. And YOU WERE THERE when it happened. Complete Bibles are now available, also for the first, in four additional languages — all Bible Society publications.

This is good, but best of all is how Scriptures are changing lives. A former prisoner from Singapore, jailed because of his involvement in a clash between two rival gangs. Two of his enemies in jaul became Christians and began reading Bibles. Because of their transformation he wanted to know more about this Jesus of theirs. Borrowing a Bible, he began to read. He became more conscious of his sins as he devowed God's Word.

He pictures Jesus shedding His blood to save his life. He prayed to accept Jesus there and then. Peace and joy flooded through him.

Later, released from prison, he now lives a redeemed life. He says, "I love the Bible and whenever I have the opportunity to tell others how much it means to me, I am always happy to do so."

When that life was transformed, YOU WERE THERE. You were in that small village in South Africa when the Scriptures were distributed. You were inside that church in Romania when joyful hands reached out for Bibles. You were on the road to Haiti passing out Scriptures to fishermen. You were in Saudi Arabia when American men and women serving their country in the armed services received the camouflage covered Bibles which gave them comfort and hope.

Thank you for your partnership in response to God's call for obedient discipleship and worldwide evangelization. "Go, then, to all people everywhere and make them my disciples; baptize them in the name of the Father, the Son, and the Holy Spirit, and teach them to obey everything I have commanded you. And I will be with you always, to the end of the age." (Matthew 28:19-20)

Hispanic Ministry - Summer of 1991

By the grace of our Lord, Jesus Christ, and by His strength, the good news of redemption and reconciliation was preached this summer to many Hispanics, some of whom heard the message for the first time. From the 5th of May through the 29th of September, the Flat River Baptist Association's Hispanic Ministry was active in reaching out to the mainly Mexican population of migrant workers in and around the Granville County area. Participating in this effort were many churches and individuals of our Association whose loving contributions ranged from driving vans to hosting Migrant Days to sincere and heart-felt prayer.

The center of our activity was Fellowship Baptist Church in Creedmoor where Sunday services were held regularly from 3:00 p.m. to 6:00 p.m. and Wednesday Bible studies from 7:30 p.m. to 9:00 p.m. Attendance at the Sunday services averaged from 20 to 25 persons in May, rising to 40 to 45 in June, climaxing at 50 to 60 in July and August, then declining to 40 to 45 in September. Attendance at Bible studies held steady at 15 to 20 throughout the period. Fellowship Baptist graciously gave us use of their sanctuary and fellowship hall for worship services and English classes, respectively. Kitchen facilities for our weekly mealtimes were also provided.

Three special Migrant Days were held during the summer: on June 16th at Delrayno Baptist Church in Oxford; on July 21st at Mountain Creek Community Center in Oxford; and on August 25th at First Baptist Church in Butner. Members from the host churches as well as volunteers from other churches helped in all the arrangements, from waiting on tables, to setting up volleyball nets, to providing the meals themselves. Attendance at the Migrant Days averaged about 70 persons (not including said volunteers).

The result of our activities: 18 decisions for Christ, with many others seriously confronted with the Gospel for the first time. Further, many promised to attend services regularly upon their return to our area next year. A significant base of goodwill has been established among the migrant community.

This is not to say that the work is over. We will continue to minister to the Hispanic community with services at the afore mentioned times throughout the year. Attendance for the first two weeks in October has averaged about 30 at Sunday services and 20 at Bible study. We hope to reach out to those workers who will remain in our area, and if the Lord so wills it, to establish a permanent Hispanic mission.

Respectfully submitted,
Paul Flores, Hispanic Minister

Updated History of Brassfield Baptist Church

Brassfield Baptist Church, located on Highway 96 in the southern part of Granville County, was last featured in the Flat River Baptist Association Annual in 1973. Since that time, we have experienced growth in our church and have expanded to meet those growth needs.

Pastors serving since 1973 have been:

Reverend Allen C. Allen ..... 1973 - 1975
Reverend Russell P. Carlton ..... 1975 - 1978
Reverend M. Thomas Langston ..... 1978 - 1981
Reverend James A. Carlson ..... 1981 - 1982
Reverend Michael Townsend ..... 1983 - 1985
Reverend Audrey Diggs ..... 1985 - 1988
Reverend David Wiedenman ..... 1988 - 1991
Mr. Travis Moger (Interim) ..... Present

In 1973, Brassfield celebrated its one hundred fiftieth anniversary with Reverend Roger Patterson bringing the message. Dr. T.C. Allen and Mr. C.W. Allen, Sr., who participated in the 1923, 100th anniversary celebration, were on the program. A history of the chruch was prepared by Mr. C.W. Allen, Sr. and printed in booklet form for the occasion.

A new heating system combined with the first air conditioning system was added in 1972. In 1973 a new fence and entrance to the cemetery were installed.

In 1975 a new organ was purchased by the church.

In 1980 at the urging of the deacons, the church voted to construct a pastorium on the eastern section of the church grounds. It was decided to have the members do as much as possible of the work themselves. Work began in May of that year and progressed mainly on Saturdays with as many as a score in attendance. The ladies of the church served lunch to all. By late November the house ws basically complete and had been constructed debt free. M. Thomas Langston was the first pastor to reside in the pastorium.

Also in 1980, while researching for a survey of church property, a deed was discovered in the Granville County Register of Deeds Office which was a 1805 lease deed. Up until this time its existence had been unknown and this early part of Brassfield's history was

not known. Brassfield Baptist Church was constituted on August 23, 1923. The roots of that formation were planted over eighteen years earlier, however, when on July 17, 1805, James Weathers, John Matthews, William Moore and Robert Jeter were appointed commissioners of a meeting house. This house had been recently erected on a plot of land lying between the Neuse and Tarborough Roads according to the deed on record. Today this approximate one acre is on the north end of the church property and is largely occupied by the cemetery. N.C. Highway 96 is near the original course of the Neuse Road and the Tarborough Road lay immediately east of the cemetery. Today its remains are still visible near the pastorium.

The union meeting house in which various denominations employed the house on assigned Sundays was very common in that era. Baptists were at Brassfield from the start as Weathers was a Baptist minister of great energy. John Matthews was a Presbyterian minister and pastor of the Nut Bush and Grassy Creek Presbyterian Church in that period. Of William Moore and Robert Jeter we know nothing, but they must have been ministers of other denominations.

The lease agreement on file in the Granville County Register of Deeds Office leases the land in question for a term of 99 years with five shillings being the lease amount. The grantors were George Brassfield and Mary P. Clement.

The years 1805 through 1823 are a mystery indeed as to what transpired at Brassfield's Meeting House.

In August of 1980, the church celebrated the 175th anniversary of Brassfield's Union Meeting House with former pastor Russel P. Carlton bringing the message.

In 1984, a fellowship building was added on the south side of the church. This was constructed in the same manner as the pastorium, with members doing as much as possible of the work themselves. This project was completed in the fall of that year and had been constructed debt free. The fellowship building was dedicated in memory of Claude W. Allen, Sr.

In 1990, Brassfield Baptist Church was added to the National Register of Historical Places, and a brass marker was placed on the front entrance of the church building.

This brings us to the present. Today we pause and pay tribute to those who have labored to make Brassfield Church as she is today. May we take inspiration from the faithful who have labored at Brassfield over the past years and follow their examples in serving the Lord Jesus Christ.

Updated History of First Baptist Church of Butner

The Butner Baptist Church was first featured in the Flat River Annual in 1972. At that time the church was twenty-four years old, having been constituted in 1948. That historical update ended by stating the church had broken ground for a new sanctuary and additional educational space. The intervening time constitutes almost half the life of the church body, and these years have been challenging and fruitful.

David Peach was pastor when this historial period began and remained as spiritual leader of the people until March of 1977. Two outstanding events took place during this time: (1) the official name of the church was changed from Butner Baptist Church to The First Baptist Church, Butner, on July 22, 1973, and (2) the new sanctuary and additional space was dedicated on July 29, 1973. These two events formed a basis for expanded ministry to a growing community.

During the period following David Peach leaving First Baptist, James Shurling and John Freeman led the congregation as interim pastors. Then in January of 1978, Scott Good began his time with the church and led the flock until September of 1984. During these years, the church worshiped, searched, reached out, and grew. Several associate pastors, music directors, and organists shared leadership with Scott.

With the resignation of Scott, Dr. Alen Neely, professor at Southeastern Seminary, came to serve as interim for one full year until the congregation called the present pastor, Emmanuel Pegram. He began his duties in November of 1985. In these last six years,

several noteworthy events have taken place. Dana Gassaway served as part-time Minister of Music and Minister of Children/Youth until June 1990. At this time, the church expanded this part-time position to full-time and called Dana to remain in this position. Dana was ordained to the Gospel Ministry on July 22, 1990. The results have been greater involvement and excitement in these parts of the church program. The church also took a big step in making different provisions for its' pastor's housing. In December 1990, the church sold the pastorium. Using the proceeds from the sale, the church now has a special fund providing interest returns monthly allowing the church to give the present and all future pastors an allowance for their personal housing.

In recent years, the church has upgraded the heating systems to natural gas and has air conditioned all buildings. Also, a new sound system has been installed in the church sanctuary.

Under the leadership of Dana Gassaway, the church has become well known for the God and Country Celebration in recognition of God's gift of our national freedoms. This celebration takes place around our national day of independance. Laura Rock has faithfully served as church organist since May of 1975.

Martha Morgan retired as church secretary in January of 1988. Shirley Gupton has ably filled this full-time position since then.

First Baptist continues to seek to fulfill its' mission of becoming God's people for its' time and place in history. In this period (1972-1991), she has grown in total membership from 459 to 519. The exciting part of its' financial growth has not necessarily been increase in total giving, but the percentage increase in missions giving from 9% to 17% of its' total receipts to missions.

First Baptist ends this historical period grateful for leaders, events, and accomplishments of yesterday and with a vision that God's tomorrows will bring exciting challenges. The Butner field is white unto harvest and First Baptist knows the call God gives to her.

83. Sermon: Rev. Emmanuel Pegram spoke under the theme "So You Belong." He stated that we Baptists might be at the point we can't decide where we belong or we think we are the only group. It is amazing today that when we do what we do and say that God expects us to do it. Each group in today's society thinks they are in God's favor. Often we seem to think God is or should be prompt to our request but on the other hand there is a delay in His response and we have to recognize that. There is nothing wrong in being a liberal or a conservative. We should fully understand that faith in Jesus Christ is what is necessary for salvation and John 3:16 is so very important. No matter how we interpret

scriptures, the faith and grace event still is most important. We are adopted into the faith of God by grace and faith. Become humble and be the last if necessary to become more useful in the ministry of our Lord. The only way God can bless is that we put Him first and put self last. God has something for each of us to do but remember to first of all, be a Christian.

84. Moderator Brewer expressed appreciation for the various committees who have given challenges to us as messengers to go back to their churches with the message. He further stated he feels a spirit of revival through this association.

85. Director of Missions Bob Wainwright was recognized for any last remarks at this session and he expressed appreciation to everyone for their involvement in the various ministries of the association. He also gave the closing prayer.

86. Moderator Brewer declares adjournment of the 199th Annual Session of the Flat River Baptist Association. (There were 167 registration cards from 33 churches including 27 pastors and also including pastor from Mision Bautista. Total offering received at this session was $424.00).

Sunday School Report

The Sunday School year's theme for 1992-93 is "Breakthrough - Equip to Win." So, to do their part, the ASSISTeam and VBS team attended the workshops and seminars in the early part of 1992.

Then the ASSISTeam met to decide upon the course we should take. We realized the challenge was great and decided to focus upon the needs of teachers. We felt we needed to equip them to be the best teachers possible and also the realization was we that we are dealing with small Sunday Schools. We also felt that the pastors and general officers needed to be equipped at the same level, if not better. Therefore, we arrived at a plan for this year.

First, we would have a workshop led by a state worker to talk about problems and trends of reaching the Baby Boomers and Busters. All pastors, Sunday School directors and Outreach directors along with any other concerned person were invited to attend a workshop at West Oxford Church on August 3rd. The response was fantastic with 46 people representing 16 churches.

Secondly, we would have a workshop in two locations for the Sunday School worker. On Sept. 29th at Butner First Church, we had 54 people from ten churches. On Oct. 6th, the second workshop was attended by 53 people from 16 churches.

Our Vacation Bible School workers were just as efficient by attending the state clinic and returning to prepare and lead in our associational clinics. At Creedmoor First we had 11 churches providing 65 people for training. The second clinic at Mount Zion had 60 workers attending from 16 churches. This training produced the following results - five Mission VBS, seven Backyard Bible Clubs with enrollment of 540; the churches had VBS enrollment of 2,807 producing 560 prospects; 23 professions of faith and an offering received for Cooperative Program amounted to $3,968 plus other offering received amount to $418.00.

It is this type of dedicated Christians working for God's glory that enhances our association to move forward.

There are two groups of leaders - our ASSISTeam and VBS Team - some work with both groups. Our ASSISTeam is Rev. Dan Hill, adults; Mr. Dan Baird, youth; Mrs. Kim Tilley, older children; Mrs. Donna Slaughter, middle children; Mrs. Everlee Hall, older preschool; Mrs. Ann Thomas, younger preschool; and Mr. Lin Womble, special education. Our VBS Team is Rev. Carl Hunter, adults; Mrs. Pat Baynes, youth; Mrs. Kim Tilley, older children; Mrs. Donna Slaughter, middle children; Mrs. Everlee Hall, older preschool; Mrs. Ann Thomas, younger preschool; Mr. Lin Womble, special education; Mrs. Faye Hunter, young children and Rev. Discipleship Training

In Matthew 28 our Lord commands "Therefore go and make disciples of all nations...teaching them to obey everything I have commanded you..." Discipleship has been defined as the Christian's lifelong commitment to the person, teaching, and spirit of Jesus Christ. Life under Jesus' lordship involves progressive learning growth in Christlikeness, application of biblical truth to every area of life, responsibility for sharing the Christian faith, and responsible church membership.

The tasks assigned to Discipleship Training includes orientation of new members, equipping, teaching, and training members for Christian living. There are many materials available to assist us in these tasks. Providing continuing or short-term training at the time most suitable for individual churches is important to the growth of our people.

Our Associational "M" Night was held November 24 at West Oxford Church with Mrs. Wendy Edwards bringing the message. Seven churches participated with Mountain Creek Bible Drillers presenting a demonstration Children's Bible Drill and Peace's Chapel winning the attendance banner.

Our Associational Bible Drills were held April 12 at Oxford Church with 5 churches participating. Participants came from Mountain Creek, Providence, Poplar Creek, Tungsten, and Oxford churches with most of them going on to be state winners. We congratulate all of these for their hard work.

We had a team of 6 to attend the State Training at Caraway August 28-29. A Bible Drill Kickoff was held October 4 at Providence with 5 churches represented. Our associational tournaments will be held April 4, 1993 at Providence. Now is the time to begin preparing for this worthwhile activity. If you have not already done so, select someone from your church to work with us to promote Discipleship Training in your church.

Report from Woman's Missionary Union

"But when the Holy Spirit comes upon you, you will be filled with power, and you will be witnesses for me to Jerusalem, in all of Judea and Samaria and to the ends of the earth." (Acts 1:8)

Our WMU emphasis this year was "Called and Accountable." Called by whom? Accountable for what? Throughout this past year, we have strived to prepare our members to reach out through personal witnessing, minister to the needs of the lost in our communities and study about missions that we might understand better our opportunities on the home and foreign missions fields.

Associational-wide workshops for our leaders have been offered to help strengthen leadership skills, explain new materials, share ideas, and teach music skills. Our WMU Leadership Conference was held Sept. 14 at West Oxford Church.

Foreign and Home Mission studies were taught to help us see the needs of the world and encourage us to pray and give. Personal witnessing workshop were offered and books taught to help with witnessing skills as well as giving an interpretation of the year's theme.

Mission Action workshops gave hands on opportunities to help with ministries at John Umstead, Murdoch, C.A. Dillon, ARC, local nursing homes and the Toy Ministry.

The annual Baptist Men/Baptist Women Banquet on January 22, 1992 was attended by approximately 450 persons representing each church. Guest speaker was Rev. Henry Blackaby of the Home Mission Board.

The 83rd Annual Session of FRBA W.M.U. was held at Brassfield Church on March 17, 1992. Missionary speaker was Mrs. Claudia Ingram from Uruguay.

The Baptist Young Women Banquet was on April 24 at Stovall Church with Mrs. Paul Flores as guest speaker.

Acteens Leader/Mother/Daughter Event on April 27 at West Oxford was well attended. Mrs. Sarah Childers, former missionary to Costa Rica, was guest speaker.

The Girls In Action Day Camp was on May 2 at Enon Church. Mission opportunities, music, art, Bible study and recreation were led by local leaders including Rev. and Mrs. Paul Flores and Mrs. Virginia Tuck.

Several special events for Mission Friends and their leaders were conducted at different churches.

All of these banquets, rallies and day camps offered us a chance to come together as one in Christian fellowship. Also, many WMU organizations have helped with our Hispanic mission by collecting food, making health kits and cards, sharing clothes and baby items, serving meals and supplying Bibles.

I am happy to report that a Baptist Student Union was organized at Vance Granville Community College this year.

God has given us many ways to share our blessings with others. I praise God that we can hear His calling, receive His power, and are willing to labor together for Him.

Wanda Temple

Brotherhood Report

As we start a new church year, I would like to thank all of you who took part in all of the different activities and events the past year.

The Baptist Men/Baptist Women Banquet was our biggest event with about 450 attending. We had several men and ladies go to Honduras on a mission trip in March. There were 150 people from 14 churches at the RA Car Competition/Mission Fair/Mission Rally at Oxford Baptist Church on February 29th with some excellent mission projects. Missionary speaker was Roger Grossman from Guatemala. The RA Track Meet in April at J. F. Webb field was well attended with excellent competition. We had 63 people from 8 churches at the RA Conclave at Stateline Baptist Assembly. Kurt Lawrence, missionary from Thailand, was guest speaker. We had 30 men attend the Brotherhood Leadership Training Conference in September at Hester Church. You can see from these figures that we need more churches to get their men and boys involved in our activities.

Baptist Men from the association sponsored three Migrant Days during the summer for the migrant workers in our area. We had about 100 people at some of these events. I want to thank the host churches and the other churches that helped in providing food and sports for these people.

Allow me to encourage all of our men to try to attend the annual Baptist Men's Convention in Raleigh January 15-17, 1993. This is for all men and their wives. The program starts on Friday night and ends Sunday morning with a prayer breakfast. A program is also planned for Saturday. There will be conferences for the wives and small conferences to help meet the needs of our families in today's world.

Thank you for your support and prayers.

Respectfully submitted,
George S. Gresham

Report of North Carolina Baptist Hospital

The North Carolina Baptist Hospital utilizes the skills and training of more than 5,700 employees and provides outstanding health care in the hospital complex itself as well as the Brenner Children's Hospital, the Trauma Center, and the J. Paul Sticht Center on Aging and Rehabilitation. Last year, our hospital ranked in the top 10 percent of all hospitals in the nation as noted by the Joint Committee on the Accreditation of Health Care Organizations.

During the past year, the hospital admitted 24,000 patients. It performed more than 16,000 surgical procedures, including more than 1,000 open heart operations. The budget of the hospital was more than $400,000,000. The Cooperative Program gifts and the Mother's Day Offering of more than $1,000,000 was applied to the budget of the Department of Pastoral Care and for benevolent care for patients, respectfully.

The services of the hospital are accessible to all North Carolina Baptists and others. Out-patient appointments can be secured individually. Charges for hospital services compare favorably with other hospitals in the state. In fact, Baptist Hospital's charges are lower than average in comparison to other teaching hospitals providing similar services.

The hospital's physical plant continues to expand. A parking deck was opened in January, a new Emergency Department is under construction now, and a 170 bed skilled and intermediate care nursing facility will be constructed soon. The staff and patients of Baptist Hospital are grateful to North Carolina Baptists for the moral and financial support they continue to give this ministry.

Foreign Missions Report

Southern Baptist giving to foreign missions continued to grow in 1991. Most came through two channels: the Cooperative Program and the Lottie Moon Christmas Offering. Southern Baptists gave $68.96 million to foreign missions through the Cooperative Program and $79.78 million through the Lottie Moon Christmas Offering. In return, the Foreign Mission Board sought to spend the funds in keeping with their commitment to Southern Baptist: 62.4 percent of total expenditures went to support and equip missionaries, the next largest portion was spent for evangelism and church development, and only 11.6 percent of board expenditures went for home-office staff, expenses and promotion.

Southern Baptist church members responded to needs of supporting mission work around the world in 1991. Lay people and pastors trekked through large sections of Asia, Africa, Europe, Latin America and Australia. They assisted in everything from medical response, hunger relief and church-building construction, to revivals and Bible schools. Thousands came to faith in Christ because of the activity of short-term workers.

Our foreign mission effort finds power in the prayers of all Southern Baptists. Every month more than 25,000 individuals read Global PrayerFram, and more than 12,000 Southern Baptists call the FMB Prayerline (1-800-395-PRAY).

R. Keith Parks, FMB President, presents this challenge, "The Christian world stands at the door of its greatest challenge and greatest opportunity. There are lost millions without Christ who stand before a brief window of opportunity. All our energies, expertise, spiritual resources and personnel should be mobilized to do all we can as quickly as we can."

Hispanic Church Status Report

Mr. J. B. Haney, a layman in Oxford Baptist Church, recently offered to deed the Association ten acres of land, on the Enon Road in the Culbreth Community, for use as an Hispanic church. As a result of this offer, a committee was formed to determine and recommend the best course of action. This committee is composed of: Horace Adcock, Jack Berry, Sam Brewer, Donnie Brown, Johnny Brummitt, Paul Flores, Leonard J. Overton, Wanda Temple, Fernando Villarreal, and Ann Woodlief.

The county sanitarian has run a "perk" test and approved the property for our proposed use. The deed for the property is being finalized, and a survey of the land is also in progress. The County Building Inspection Department is examining draft building plans to insure code compliance. At the same time, the committee is reviewing building techniques and determining representative price and quality trade-off on options such as self-help, construction features, guarantees, and building methods.

The committee intends to send an innovative request for proposals to appropriate contractors. The responses will let us determine a firm price for the most effective combination of options and features. The committee will than make a formal recommendation at a special meeting of the General Board.

The committee now recommends the Association give approval to proceed with the above stated course of action.

Respectfully submitted,
John (Jack) S. Berry
Chairman, Hispanic Property Committee

Report of Ordination Committee

The Ordination Committee met two times this past year to examine candidates for ministry.

Brassfield Baptist Church requested the committee meet and examine Mr. Travis Moger for ordination to the Gospel Ministry. This meeting occurred on November 10, 1991 and we affirmed his call and ordination. His ordination service was held on December 1, 1991 at the Brassfield Baptist Church.

The committee also met to examine Mr. Curtis Richard Taylor for ordination to the Gospel Ministry. The committee met April 12, 1992 and recommended his ordination as well. His ordination service took place on April 25, 1992 at the Knott's Grove Baptist Church.

Both Rev. Moger and Rev. Taylor are serving these respective churches as pastor.

Stewardship Report

One of the first recorded statements of Jesus in the scripture was, "Know ye not that I must be about my Father's business?" (Luke 2:49) In accepting Christ as our Saviour and Master, we want to follow Jesus' example in being good stewards in His business. God's business is our business and this is the chief concern of every Christian. "Being about My Father's business" is where you and I ought to be also in the task of Flat River Baptist Association.

Developing Christian stewards and financial support of our Associational mission task will enable our churches to more effectively fulfill their mission. We leaders in the FRBA have a genuine concern for our churches and their needs, and we desire to help churches to become aware of and committed to the principles of Christian stewardship.

A FRBA Stewardship Conference was conducted this past May at Oxford Baptist Church by O.D. Martin, Jr., director of the N.C. Division of Stewardship. Mr. Martin presented a Stewardship emphasis and shared resources for church leaders to use in leading churches to develop their own stewardship program. Materials included to aid in stewardship were on Christian life style, Christian money management, giving, budget development, Mission support through the Cooperative Program and the Association, and helpful guidance for the future.

Join me in prayer and action for our FRBA stewardship development needs, in setting goals and planning activities to reach those goals, to provide training (or suggested training resources) for each church's stewardship committee, for providing information on the support of Associational Missions and the Cooperative Program and urging churches to grow in percentage giving to both.

Cooperation is a major characteristic of Southern Baptist witness to the world. Our concern for people has been translated into action because we have been willing to cooperate despite our differences. The FRBA is a fellowship of churches on "My Father's Business," and let us continue to grow in our understanding and practice of our corporate stewardship in fulfilling the great commission of our Lord. May every church in FRBA recognize their responsibility to improve their members' present level of involvement in Christian giving.

The Stewardship Commission has informed us that the Cooperative Program Hotline will be continued. Southern Baptists can dial a tollfree number (1-800-722-9407), Monday - Friday, 9:30 a.m. - 3:30 p.m. (CST), to ask questions, express opinions, order Cooperative Program promotion materials, and improve awareness and support of mission needs.

Auditor's Report

This is addressed to the Board of Directors of the Flat River Baptist Association. We have reviewed the accompanying Statement of Cash Receipts and Disbursements of the General Fund, Designated Funds and Edwards Fund of the Flat River Baptist Association (a non-profit organization) for the years ended September 30, 1992 and 1991, in accordance with standards established by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of the Flat River Baptist Association.

A review consists principally of inquiries of Association personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

The Association's policy is to prepare its financial statements on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than generally accepted accounting principles. Consequently, certain revenues are recognized when received rather than when earned, and certain expenses and purchases of assets are recognized when cash is disbursed rather than when the obligation is incurred.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with the cash basis of accounting, as described in the preceding paragraph.

Management has elected to omit substantially all of the disclosures required by generally accepted accounting principles. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the company's cash receipts and disbursements. Accordingly, these financial statements are not designed for those who are not informed about such matters.

Choplin, Overton & Williams, C.P.A.'S

(NOTE BY CLERK: A statement of cash receipts and disbursements prepared by the above accountant firm which is in a bound copy and contains thirteen sheets is on file in the office of the Flat River Baptist Association. A copy has been filed with the FRBA Treas. Reports/Records also. Any interested party may come by and see this copy.)

Finance Committee Report

The slide presentation puts some faces on our budget. You may borrow this slide set and use in a presentation at your church if you would like.

Your Finance Committee is grateful for the contributions made to the ministry of our association by each of our churches and individuals. You will find a copy of the 1992-93 FRBA Budget in your packet. This budget was presented and adopted at the July, 1992 meeting of the FRBA General Board.

Our goal is to have every church in the association contributing at least four percent of undesignated offerings to associational missions. At the present time, only one third of the churches contribute on a true percentage basis and not all of them have reached the four percent level. It will require $7,411 per month to fund the budget this coming year.

We are asking every church to seriously consider their contributions to the ministry of the association and to begin this year to move towards giving on a percentage basis. For example, if your church is now giving two percent, try to move to two and one-half percent this year and three percent next year and continue until you reach four percent of undesignated offerings. This is a fair and equitable way for all of our churches to share in the ministry of our association.

I urge you to help us in this matter so that we can move forward in carrying out the ministries God has given us to do as an assocition.

Respectfully submitted,
Thomas Thaxton, CHM., Finance Committee

Christian Education

On November 10th at the Annual Session of the Baptist State Convention, an important item will be presented to the messengers assembled for possible adoption. The Institutions Relationship Study Committee, appointed in 1991, will make its report and recommendations for possible adoption. Baptist colleges are a significant part of this study and the Council on Christian Higher Education has requested the prayerful support of N.C. Baptists for the committee and for the colleges. In 1991 a total of 23,510 students were attending the seven colleges and universities affiliated with North Carolina Baptist to include Wake Forest University. Cooperative Program support ranged from 2.49% to a high of 10.18% of the total operating budget of the seven institutions: Campbell University, Chowan College, Gardner-Webb College, Mars Hill College, Meredith College and Wingate College. A total of approximately $5,713,000 of support was given these institutions through the Cooperative Program.

Baptists have made an important investment in the education of the young people of this state and the nation and the continued relationship of the convention to these institutions of higher education should be a matter of important concern to each of us.

Areas addressed by the Institutions Relationship Study Committee include such wide ranging items as the method of selecting trustees for these institutions, the mission of the institutions, guidelines for public funding on state and federal levels, the accountability of the institutions to Baptist churches and the convention. With the current concern and turmoil being experienced by Baptists in general concerning such issues, it is anticipated that the recommendations of the committee will be a major step in the direction of accomplishing a "North Carolina way" of strengthening the relationship between the convention and the Baptist colleges and will also make a significant contribution toward unity and effectiveness. Your continued prayers, support and proclamation of the message of Baptist colleges is needed.

Respectfully submitted,
Lenny Rogers

Youth Report

The Youth Ministry of the Flat River Baptist Association has done several things this year that brought some of our youth closer to the Lord.

Prior to December 1st of 1991, youth were invited to meet at Yeargin's Tobacco Warehouse, to build and decorate a Christmas float for the Oxford Christmas parade. The float reminded spectators that taking Christ out of Christmas simply made the holiday another commercial endeavor.

On March 14, 1992, our youth attended the annual youth rally held at Oxford Baptist Church. Carl Creasman, a seminary student at Southeastern Seminary of Wake Forest, entertained teenagers with contemporary Christian music and some Christian Rap. During the time of fellowship that followed, youth were able to spend some personal time with Carl.

During the course of the summer, many youth groups attended summer sessions at Caswell.

The Delaware Youth Team once again traveled to London Village, Delaware on July 12-18 where they served in various ministries such as VBS, etc.

On July 30 & 31, many of our youth attended Super Summer at Carowinds, the 1992 Youth Evangelism Crusade. During those two days, there were over 3,000 decisions for Christ.

Finally, on October 18, 1992, the night previous to this report, the Flat River Baptist Association Youth Council, in cooperation with the Durham District United Methodist Youth Council, the Oxford Orphanage, and the Granville County Christian Youth Council, sponsored a major Youth Concert featuring Benson recording artist Brian White & Justice. Brian wrote and played with such Christian artists as Larnelle Harris and others. The concert was a tremendous success, with at least 49 decision cards signed, many others making decisions that did not sign cards, many seeds sown that will be reaped at future youth events.

Our youth are important to us in any church. Whether there is only one youth or more than you can keep up with, it is important that you develop a youth ministry that will evangelize and encourage our future church leaders. We still need to develop a youth council on the associational level in order to provide resources and events that will do just that for each of our churches. If you are interested in serving on that council, contact me.

Respectfully submitted,
Tim Worthington, FRBA Youth Min. Coordinator

FRBA Evangelism Report

The FRBA Evangelism Committee sponsored a "Prayer and Spiritual Awakening" Seminar at Oxford Baptist Church on February 1, 1992. The Rev. Henry Blackaby, director, Prayer and Spiritual Awakening Department of the Home Mission Board, Atlanta, Georgia led the seminar.

It was evident that Rev. Blackaby helped those present experience a rekindling of the Holy Spirit in their lives. The success of the seminar was enhanced by Rev. Blackaby's speaking the night before at the Baptist Men's and women's Banquet. Many who attended, came because of the interest he stimulated that night.

This coming January, the 22nd and 23rd of 1993, Dr. T. W. Hunt of the Sunday School Board will be leading a "Church Prayer Ministry Workshop" in Oxford. We look forward to what the Lord will do through this ministry.

Respectfully submitted,
Larry R. Zaky, CHM., Evangelism Council

Pastoral Ministries Director Report

On February 20, 1992, Flat River Baptist Association sponsored a Deacon Training Conference at Oxford Baptist Church. Following the meal several individual conferences on Deacon Ministry were made available to participants. There were 106 people in attendance, including 19 pastors and 92 deacons. The response and participation were indicative of a perceived need for more deacon training and education in the work of ministry in the local church. Thank you for such a solid response. We welcome your ideas for a similar conference in 1993.

Steve Bolton, Pastoral Ministries Director

Report of Property Committee

The FRBA Property Committee met two times this year to review the building and equipment. The flat roof on the back of the building was sealed. No other repairs were required. Office equipment has received normal maintenance service.

A 1985 Dodge van was purchased with special donations for use in the Hispanic ministry. It has been a great asset and has relieved the associational van for other uses.

The associational van was used by 18 churches for 55 trips carrying 674 passengers averaging 12 persons per trip for a total of 9,855 miles.

There were 32 associational trips with an average of 12 persons per trip for a total of 5,719 miles. Twenty-six of these trips were for the Hispanic ministry before their van was purchased.

The associational van is available on a first come-first basis to Flat River Baptist Association church-sponsored groups of six to fifteen persons for ten cents a mil plus gas. It continues to give us good service. It has over 70,000 miles on it.

Home Mission Report for 1992

This report on Home Missions represents the report from 33 churches in the Association. Last year we gave $50,567, this year we gave $45,208 Our contributions are down by $5,359.

Several churches shared personally in the field of Home Missions. The report from the associational office is as follows:

1. BILL AND EMMA BLAKE, workers in the Volunteer Christian Service Corp. of the Home Mission Board, and members of the Island Creek Baptist Church, traveled to Texas last October and worked for two weeks with the Rachel Sims Baptist Mission. This past August, the Blakes went to Lawrenceville, Georgia for the seventh year to assist a church in maintenance and clerical work for a week.
2. PLEASANT GROVE BAPTIST CHRUCH had 32 youth and adults, including Pastor and Mrs. Tommy Robertson to travel to Ruffs Dale, Pennsylvania near Pittsburgh to conduct Vacation Bible School and Backyard Bible Clubs at the Ruffs Dale Baptist Church July 11-18, 1992.
3. OXFORD BAPTIST CHURCH - 19 youth accompanied by Mr. Dan Baird, minister of education and youth; Mrs. Cindy Joy, minister of music, and with Mrs. Kathy Parker assisting, conducted Backyard Bible Clubs and morning worship service at a church in Eastville, Virginia.
4. MOUNTAIN CREEK BAPTIST CHURCH had a youth group, accompanied by Pastor and Mrs. Lee Coyle, to conduct Backyard Bible Clubs at Maggie Valley again this year.
5. OUR ASSOCIATIONAL DELAWARE MISSION TEAM went again to London Village, Delaware year Dover to conduct Vacation Bible School and Backyard Bible Clubs in July.
6. Rev. Bob Wainwright, director of missions, and Mr. David Blackwell, layman from the Mountain Creek Baptist Church, traveled to Delaware to do volunteer church construction for three days.

In Proverbs 29:18, we read in part, "Where there is no vision, the people perish.." I challenge this Flat River Baptist Association to search for the vision of needs that face us at home, then respond and join the Home Mission Board in being committed to the task of reaching this nation, with it's mixture of cultures, and bringing them into God's Kingdom.

State Missions Report

When we think of State Missions we should think about the two major categories. **Ministries:** (1) Ministries that *strengthen* and ministries that *lengthen* the witness of the local church. *Strengthening* ministries involve church program organizations. *State Missions* provide resources and personnel that assist in the development of these ministries.

Second type of State Missions are those ministries that lengthen the witness the witness of the local church. These efforts represent local concern and require the support of the local congregation. Mission work is desperately needed in our own county and North Carolina. It is estimated that 50 percent of the people in our own state do not have a meaningful relationship with any church; two out of every five people do not know Christ our Savior our Lord. Let us support our State Missions in every way so we can win souls - especially support our State Missions through prayer and offering. As we have heard many times that "more things are wrought by prayer than this world dreams of. . . ."

Our goal is $11,800,000 The largest percentage goes to North Carolina Mission ministries. That provides work with internationals, blacks, chaplains, blind, deaf, mentally retarded, new churches, prisoners, and more. If we are concerned about the evils of our world and those around, we will rededicate ourselves to greater support for this cause in the years that lie ahead of us. Let us accept the challenge and continue our contributions to the Flat River Baptist Association. Will you do your part.

May we prayerfully seek God's will.

Respectfully submitted,
Mrs. F.E. White, Jr.

Report of the FRBA 200th Anniversary Committee

For several years, we have been talking about Flat River Baptist Association celebrating its 200th Anniversary in 1994. From now until next year when we begin our celebration which will last for a year, we are not only going to be talking about our celebration - we are going to be getting ready.

The year of celebration will begin at next year's Annual Meeting when we meet with Peace's Chapel and Florence Avenue Baptist Churches. Throughout the period of time from Oct., 1993 until Oct., 1994, we will celebrate. The 1994 Annual Meeting will be with Grassy Creek and Creedmoor First Baptist Churches.

Our 200th Anniversary Committee members: Mrs. Eula Averette, Pleasant Grove Church; Mrs. Violet Coats, Mountain Creek Church; Mrs. Betty Puckett, Peace's Chapel Church; Mrs. Lib Currin, Oxford Church; Mr. Jerry Timberlake, Grassy Creek Church; Mr. Tommy Averette, immediate past Moderator; Rev. Sam Brewer, present Moderator; Rev. Bob Wainwright, director of missions; and myself as Clerk—have met several times to make plans. Sub-committees have been appointed and we are BUSY.

Each church, through your pastor, your church clerk, and historians, have been sent a letter giving information on our plans of the year of celebration. We encourage you to contact these people and find out what we are planning to do and get in on the planning.

One important request is that we are asking each church to prepare a banner to use in our parade of flags at next year's October Annual Meeting, again throughout the year of celebration at various activities and also at the October, 1994 Annual Meeting. The specifications for this banner is in that letter I referred to.

Dr. Hargus Taylor of Chowan College is compiling a history of the Flat River Baptist Association. He will introduce the History of next year's annual meeting and the History will go on sale at that time.

A drama entitled, "A TIME TO REMEMBER - PAST, PRESENT, AND FUTURE," is being written and will be presented on May 14, 1994 at the North Granville Middle School. Prior to the drama will be a pig picking—attendance will be by ticket only.

Special displays of historical nature will be set up at different times at the R.H. Thornton Library and at various associational events throughout the year of celebration.

We have confirmed Dr. Roy W. Smith, Exec. Secty/Treas for the Bapt. St. Convention, as one of our speakers at the Oct. 1994 meeting. Rev. Roger Williams, the first director of missions in Flat River Association, has accepted invitation to speak at next year's Annual Meeting. Other former directors of missions, former pastors and leaders will be extended an invitation to be with us anytime during the year of celebration.

You can see, the above activities will need "busy hands" and finances to carry our celebration out. Cooperation is the key word for associational missions and cooperation is the word for our 200th anniversary celebration. When you are asked to help with various activities, please help us. We want this to be a grand celebration and one that will glorify our Lord as we look at where we came from in our ministry for Him, what we are doing now for Him, and what can be done fro Him in the future.

Let's make sure each of our 33 churches and our Hispanic mission is a part of this great celebration. Celebration! Celebration! No one wants to celebrate any occasion alone—let us depend on YOUR assistance.

Respectfully submitted,
Gerald Rene H. Frazier

Honduras Mission Team Report

Two ladies and fourteen men from Granville and Vance Counties spent two weeks in Tegucigalpa, Honduras as a mission work team. The team worked on the construction of a building for Salem Baptist Church with Southern Baptist missionary Larry Elliott, a native of Granville County.

The construction was with cement and cinder blocks. Some members of the team hauled the materials, some mixed cement, some laid blocks and others built forms to pour columns and beams. The floor joists were put in for a second floor for three large classrooms and the blocks, beams and columns were completed so that the building would be ready for the roof to be installed. Once the building has the roof on, the congregation will begin holding services there and will work on completing the interior.

The ladies helped to plan and prepare the meals and assist Jean Elliott, wife of Larry Elliott in her responsibilities.

Those on the team from Granville County were: Allan Lane and Buddy Barbour from Brassfield Baptist Church; Andy Fisher, Butner First Baptist; Miss Brenda Jo Thompson, Corinth; Bobby Temple and Clif Champion, Fellowship; James Adcock, Oxford; Doug

Jr. and Bernice Colquitt and Floyd Jackson from Pleasant Grove Church. Rev. Bob Wainwright from the Oxford Church was leader of this team project.

Those from Cullom Baptist Association in Vance County were: Nelson Blackwell, First Baptist Church, Henderson; Hal Bittick and Larry Johnson, Central Bapt. Church; John Franklin, West End Baptist church; and Carlton Whitby, Carey Baptist Church.

Wally Knight of the Bethel Baptist Church in Haywood Baptist Association also worked on this project. Lane, Barbour and Knight worked on the project for one week and the remaining members worked for two weeks.

This mission work team was the seventh Honduras team from Flat River Assoc.

Report compiled by Gerald Rene H. Frazier, Clerk

NOTE: Mr. Buddy Barbour gave a testimony of his part on this team project and stated he was most appreciative of the opportunity to serve in this manner.

Baptist Student Union

With the help of Wanda Temple and interested students, we have begun a Baptist Student Union on the campus of Vance-Granville Community College. Our purposes are to aid in relating the Christian Gospel in our lives and in the lives of those around us; to strengthen and unify the work of the members; to provide a ministry to individuals in the campus community; and to nurture these individuals in the Christian life and faith. If you have any individuals in your church or community who are students at Vance-Granville, please make them aware of this newly formed organization. If they would like some one-on-one information about this, feel free to have them contact me personally (438-2490).

"The Cluster"

"The Cluster" (Cluster No. 1) is comprised of Grassy Creek, Bullock, Stovall, and Mountain Creek Churches. Our cluster leader is Rev. Dan Tilley of Stovall Church.

We have had three meetings and a cluster event. Meetings thus far have primarily been organizational and evaluational in nature.

"Cluster Day" was observed July 26th. It was held at Lewis' Softball Field. There was volleyball, softball, a covered dish meal, gospel singing, and a worship service.

Each church was well represented in both attendance and participation. The theme of the day was "Christian Unity." Rev. Dan Tilley of Stovall Church led the service. Rev. Lee Coyle of Mountain Creek Church gave a theme interpretation, Nancy Owens of Grassy Creek Church directed a combined choir, and Dr. John Owens of Grassy Creek Church served as pianist. Flora Shotwell of Stovall Church led the congregational singing and Rev. Terry Howard of Bullock Church brought the sermon. There were also testimonies during the service. Cluster Day was a success.

"The Cluster" is off to a good and cooperative start.

Cluster Report: Region 2

Region 2 cluster is made up of four churches - Amis Chapel, Florence Avenue, Mount Zion, and Sharon. This cluster met three times during the past year.

The first meetings were dominated with discussion of the proposed missionary residence along with much discussion about the Associational Strategy Planning Report.

During Region 2 last meeting, the time went to talking about creating a climate of cooperation between the four churches. Some of the things talked about were: How we could help each other out in areas of outreach, strengthening families, moral values, helping our youth, helping our senior adults and what we could do in revival time of each church to help in promotion and attendance.

Cluster Report: Region 3

The Region 3 cluster of churches have met twice during the year. Churches in this cluster are Butner First, Concord, Enon, Providence and Tally Ho First.

Our first meeting was one of organization. We met with the Moderator, Sam Brewer, and the director of missions, Bob Wainwright. All churches in our region were represented with both pastors and lay people, except Enon. This meeting took place at Tally Ho First on the evening of January 16, 1992. The discussion in this meeting was on what the need for being in clusters for our association was all about. The overall consensus was that this concept would be good for the association and for our churches.

The second meeting took place at Tally Ho First on March 5, 1992. Again, all churches were present with the exception of Enon. Our discussion dealth with a variety of topics on what we could accomplish as a cluster. The one problem was the aspect of the wise use of time. Each of our churches have busy schedules that take a lot of time. To have a meeting that involved our congregations needed to be of worth to our churches. To meet simply for the sake of meeting did not seem a prudent way to proceed. We concluded to meet again for further discussion.

Our third meeting had to be cancelled due to conflicts. This meeting has not been rescheduled due to my lack of time and effort. However, this is not a reflection on the need for our chruches to be in clusters. The hope for this year is to organize into action.

Respectfully submitted,
Rev. Randy Hall

Region 4 Cluster Group

Region 4 Cluster Group, composed of Dexter, Island Creek, Poplar Creek, Rock Spring and Tungsten Churches, have met together several times since the formation of Cluster Groups in January, 1992. In these meetings the various ministry groups in the churches, (WMU, Brotherhood, Deacon, Sunday School, Youth and Pastors), have met together in their respective groups and tried to coordinate their efforts.

It is our hope and prayer that 1991-92 has been a foundation-laying year in Region 4 and that this year, 1992-93, will be a year of great accomplishment in fulfilling our mission of reaching the lost in our area for Christ Jesus.

Partnership - Baptist Convention of New York and Baptist State Convention of North Carolina

This partnership will be in effect January 1, 1991 until December 31, 1995. It will be a reciprocal effort to promote evangelism, church planting, church growth and development, and ministry. Each convention will endeavor to be involved with the other at the point of their areas of strength and expertise.

Churches in North Carolina may be interested in receiving assistance from the member churches of the Baptist Convention of New York in areas such as ministry in the inner city and in multi-family housing, working with non-Enblish language churches, and reaching "Northerners" (people who've moved to North Carolina from New England), to name a few. Individuals are also available to North Carolina churches to preach revivals, lead music, share in lay witness and speak in World Missions Conferences.

North Carolina churches/associations wishing to go to the partnership state to work may offer a wide range of ministries including such things as Bible schools, construction, clowning and puppets, and personal and lay witnessing. All ages may be involved and are urged to have a part. The churches are responsible for careful training of all volunteers. Churches are encouraged to become involved in a permanent "linkage," and work reciprocally with the same church for the five year period.

There may be churches who want to be a part of the work but cannot or do not choose to send a team or individuals. These churches can be of great help by providing financial assistance to those who can go.

Many church members from both conventions travel to the partnership states as tourists or while on business. Such people are urged to worship with a convention church as they travel in the states involved.

Churches, associations and individuals interested in more information on this partnership, are invited to contact the Baptist State Convention of North Carolina through Nancy Curtis, coordinator. Our Baptist State Convention has a husband/wife team, Hank and Dot Geer, who is also coordinating some of the contacts between the two conventions.

Report of Hispanic Ministry

By the grace of our Lord, Jesus Christ, September 30, 1992, marked the end of the first year of continuous ministry to Hispanics by the Flat River Baptist Association. Recognizing that many former migrant agricultural workers are now becoming year-round residents of the Granville-Vance area, our association has striven to maintain a permanent mission dedicated to bringing the good news of Jesus Christ to the Hispanic community. As in years past our effort was truly collective, with many churches and individuals participating in the ministry in various ways.

Fellowship Baptist Church in Creedmoor continued to serve as both sponsor and host church, generously providing the use of all its facilities for the Sunday 3:30 p.m. to 6:30 p.m. service and the Wednesday 7:30 p.m. to 9:00 p.m. Bible Study. Attendance at the Sunday services averaged 61 persons for the year. As there are no comparative year-round figures for previous years, it may be said that attendance rose steadily from month to month, climaxing to 97 in August as compared to 60 in the previous August. Attendance at the Migrant Days averaged 100, as compared to an average of 70 for the previous year.

Church and Community Ministry Report

The Adopt-A-Wing Program at John Umstead was revived this past year. One more wing for men has been completed thanks to several volunteers who helped with the sewing.

A "We Care" Award was presented to the Flat River Baptist Association and Mrs. Virginia Tuck. Wording on the plaque is: "In grateful appreciation for outstanding services to the patients of John Umstead Hospital. April 30, 1992." This is the first time this awared has been presented.

The C. A. Dillon Youth Retreat had 73 students to sign up this year. The 12 teachers worked real hard and we feel many seeds were sown. Almost every church took a part in this effort by furnishing refreshments and/or contributing money for crafts. Each month a church provides birthday gifts for the residents at Dillon.

Many churches collected magazines, clothes, coat hangers, craft items and wood for the residents at the Alcohol Drug Abuse Treatment Center (ADATC).

Thanks to everyone who provided games, magazines, personal items and those who collected clothes for any of these institutions.

Christmas 1991 Report

The Christmas Toy Ministry gives our people in our churches an opportunity to be really involved and one that they have enjoyed doing for several years now.

Many volunteers assist in this ministry by purchasing and collecting various items, assisting with sign-up, setting the items up for families to come in and make selections, and wrapping the gifts. Pastors counsel with each family and each family receives a Bible. In 1991, 945 children and youth received gifts and toys. Also over 400 good used jackets and coats were given to men, women and children. For the second year, we were able to use the Oxford Armory building which was a great help.

Patients from Granville County who reside at John Umstead and Murdoch Center were provided with gifts from different churches as a part of the Adopt-A-Patient at Christmas Program.

The Alcohol Drug Abuse Treatment Center was provided with toys for their children that visited them at Christmas. We took the toys out and had a wrapping party which made an impact on the residents who couldn't believe that someone cared enough to help in this manner.

Toys were given to the inmates at the Granville Prison and Umstead Prison for their children at Christmas.

Woman's Missionary Union organizations in our association provided 600 chap sticks for the Women's State Prison. This is a project of the N. C. WMU in which each association can choose one item to collect. These are packaged in a box to give each resident a gift at Christmas.

With all the ministries through CCM and the Christmas Toy Ministry when so many people are shown a little extra care and concern, we are reminded of Matthew 25:40 when Jesus said "When you do it unto the least of these my brethern, you have done it unto Me."

Director of Missions Report

At our annual meeting last year we adopted a five-year associational strategy plan for 1991 to 1996 that we entitled "looking to the future." We all have a deep appreciation for our heritage and what has taken place in the past. I thank God for those people of vision and forethought who went before us and prepared a way.

But God is a God of the future Who is always calling His people to move forward.

All the way through the Bible God is leading His people to a new place: physically, spiritually, or both. When he led the Children of Israel out of Egypt, He led them forward. They did wander in the wilderness for a generation when they refused to follow Him. But He led them forward.

He is calling us to follow Him today. If we don't follow Him, we will find ourselves in the wilderness as well, wandering around until we die. We are told that 75% of our churches are declining or plateaued, that 75% of a our members do not tithe, that it takes 53 church members to win one person to Christ.

We need to move forward with our five-year plan. We have made some progress this year. We had a meeting of each region or cluster last January. Almost all of our churches were represented, and there was a good time of sharing information and ideas. Each region elected a Chairman and a member to serve on the Mission Development Council. You are receiving reports from each region at this meeting.

You have also heard reports on Church Programs, Outreach and Evangelism, and Hispanic Ministry. You will be hearing a report from the Family Counseling Study Committee, looking into strengthening family ministries. A Personnel Committee has been appointed and will be bringing a report.

We will not be able to go forward with these ministries and others that are needed with the present level of support from the churches. We requested about 15 years ago that churches give to the association on a percentage basis and seek to reach a goal of 4% of undesignated offerings. Only 12 churches are contributing on a true percentage basis, and not all of them are given 4%. I am grateful that a few are giving over 4% of undesignated offerings.

In the last ten years, 1983-92, eight of our churches have increased their giving to the association less than $400. Six churches have decreased their giving. We cannot move forward with the ministries we have or the ones being proposed without increased support from these churches. Only two churches have shown a decrease in undesignated offerings in the past ten (10) years. God has blessed our churches and He expects us to be a blessing, to use what He gives us to minister to others. Ministry is a response to the example and challenge of Jesus. It is giving a cup of water in His name, it is doing to the least of His brothers and sisters in His name, it is taking seriously the injunction to do as Jesus did.

There are many new challenges before us. A Christian Counseling Center is much needed in our Association. Any pastor or caring person can tell you of the crises many families face.

There is a great need to minister to those who have lost their way through substance abuse. Hardly any family is untouched by this problem. We are being offered the opportunity to start a half-way house in our association as a pilot project for our state. But seed money will be needed.

A conference to begin work with singles in our association is set for November 3 at Creedmoor First at 7:30 p.m. This is a ministry we can do now with very little expense, but we need you to give us the names of singles in your church and invite them to come.

The New York Partnership that was shared with you earlier is a great challenge and provides an opportunity for many of us to be involved in Home Missions as we support this work with our prayers, our gifts, and our going.

Disaster Relief also presents us with a great opportunity to share in Home Missions. You already know of the *great needs* there. Many of you have contributed already. We have a team of volunteers leaving this Saturday to go to South Miami. Olive Grove has a team going the next week. They will need our help for a long time to come.

Our Honduras project this year will be to construct a Dental Clinic; your donations and volunteers will be needed for this project.

Our big local mission project that has already been presented to you is building a home for our Hispanic Mission. God has done a great work among our Hispanic friends and He is leading us to move forward in order that even more people may be reached with the Gospel and experience His love.

I pray that we will all look to the future as we carry on the ministries our God has given us to do and be led by His Spirit.

In Exodus 14:15 we read, "and the Lord said unto Moses, Wherefore criest thou unto me? Speak unto the children of Israel that they should go forward." They are our forebears. They call us to go forward.

Robert H. (Bob) Wainwright

Report of the Delaware Youth Mission Team, 1992

Members of the 1992 Delaware Mission Team and churches they represented are: Jennifer Ellington and Michael K. McGarr, Concord Church; Melanie Parham and Beth Ann Rhoden, Delrayno Church; Amy D. Nicholson, Enon Church; Leeann Elizabeth Chandler and Miranda Ellixson, Florence Avenue Church; Jayne Coats and Susan Frazier, Mountain Creek Church; and Marvin L. Campbell, Stovall Church. Team leaders were Terry Howard, pastor at Bullock Church; and Renee Lloyd, a member of Delrayno Church and first-year student at Duke University's Divinity School.

Again this year, we worked with London Village Chapel in Magnolia, Delaware from July 12-18, during the morning in Vacation Bible School and gave assistance in the evening activities. We also led in Backyard Bible Clubs each afternoon in the area of London Village. We were able to reach out to over one hundred children during the week in the name of Jesus Christ. The week was full and the schedule was busy but I believe I can speak for each team member, we were all touched and inspired by what we experienced.

Please allow me again this year to thank you, the churches of the Flat River Baptist Association, for your prayers and support for making this important mission possible. I only wish every young person in this association could experience a mission trip such as this one.

Respectfully submitted,
Terry C. Howard

Personnel Committee Report

Last year the association approved the formation of a Personnal Committee whose responsibilities included the update of job descriptions for all staff members, initiate an annual evaluation procedure, study staff salaries and benefits, and prepare a policy manual for all personnel.

Your Personnel Committee took its task seriously and met several times during the first two quarters of 1992 receiving input from associational staff, lay leaders, and other associations. Our main task was to improve communication between the association and its staff and enhance cooperation among the staff itself. As the needs of the association have changed somewhat over the years, there was a need to clarify lines of authority, define role expectations, and be specific about responsibilities.

Having completed preliminary job descriptions for all staff, we are negotiating and refining our recommendations with the staff themselves. When the committee approves any needed changes in its recommendations, then it will take the completed job descriptions to the General Board for discussion and final approval. We would like to thank you for your patience and express appreciation to our committed and caring staff for this openness to our suggestions and their willingness to cooperate. As they are completed, the committee will leave copies of its recommended job descriptions in the associational office. We encourage interested persons to read them and give us input during the process. As we still have work to do in the area of a policy and procedure manual for all staff, we continue to need your support.

Respectfully submitted,
Steve Bolton, Chairman

Family Counseling Study Committee

During its annual meeting in October of 1991, the Flat River Baptist Association approved the formation of several ad hoc study committees when it accepted the Associational Strategy Planning Report. The Family Counseling Study Committee was one of those mandated in the ASP Report. Article IV, Goal 2 of the ASP reads: "Provide a Christian Family Counselor. Actions: Establish a committee to study and recommend to the General Board a process for providing a family counselor. October 1993." This is the mandate which drives us.

Five persons have been appointed by our moderator to serve in this capacity. They are Teresa Bridges (Hester), Marilyn Howard (Bullock), Robert Garrett (Florence Avenue), Jim McSwain (Butner First) and Stephen Brock-Loftis (Island Creek).

We have met several times throughout the past year to discuss our calling and to try to determine the best course of action for our Association. Likewise, we tried to decide the best method for our committee to use as we attempted to meet the mandate. Several decisions were made to that end. Let me share them with you.

First of all, we determined that much careful and prayerful deliberations were needed before any final process could be found. The two year window given to us would be a good start and an attainable goal for completion of the task. However, we decided that we should not hurry the process just to meet the goal. Although a "Christian" family counselor may not necessarily be known to us at this time, there are several options for counseling and mental health care already available. With that in mind, we have acquired a fairly comprehensive listing of resources that will be made available to each church by the end of 1992. Our suggestion is that while we work toward fulfillment of our dream of a Christian counselor, the pastors and others in the association utilize the resources that are already available to them. Good care can be found if care is taken in choosing a counselor. There is no need to re-invent the wheel at this point.

The second consideration for our committee was whether there would be enough client support for a full-time, five-day-a-week counselor. Therefore, we determined that there would need to be something of a "testing of the waters." Instead of committing the Association to a large financial outlay, and with regard to answering the question of client support, our committee is working on a recommendation that the Association consider a contractual agreement with an already established Christian counselor for one or more days per week. We are not, however, ready to make that recommendation at this time, for all of the details have yet to be formulated (i.e. fees, etc). Also, we have yet to begin any formal negotiations. We are looking for a highly credentialed and respected Christian counselor. This person must be someone whom we feel is extremely qualified to give our people the very best care possible, someone whose therapeutic skills are rooted in the Christian faith and its doctrines. This counselor will be someone whom we believe will not question ones Christian spirituality but rather will be there to help strengthen or establish the client's faith in Christ Jesus as Saviour and Lord.

We are currently attempting to contact Christian counseling agencies around the state in order that we might better understand the credentials available. We are hoping to get some additional guidance in our process from such agencies as the Pastoral Care Department of Baptist Hospital in Winston-Salem. If anyone would like to recommend someone whom you feel is qualified for our consideration, we would like to hear from you. Please send a resume to any of the committee members no later than December 31, 1992. It is

our hope to make a presentation at the next General Board meeting with regards to this matter. We know the need is great, and we hope to progress with cautious speed in this endeavor.

It is our dream that one day we have a full-time counselor located here in our Association. We hope to be able to provide a facility that will meet the confidential and security needs of clients and counselors, alike. It is our hope that our people will be able to ask unashamedly for help from a Christian counselor. It is our hope that the pastors will feel comfortable with the presence of such an individual and that the pastors will refer clients to this Christian counselor. It is our hope to be able to incorporate into this counseling facility as many of the multitude of needs of the family as is possible. We dream of the day when Flat River Baptists can say to our communities, "We have a Christian Family Life Center that can help you meet your needs for wholeness and healthiness in the Lord, Christ Jesus."

One of the areas of concern and consideration is in substance abuse. Rev. Don Brown and I began a dreaming conversation considering substance abuse and a family counselor. I would like to invite Don to share some information he has received concerning the needs in that area. Our committee has yet to meet or discuss this area of counseling or its connection with our mandate. We are looking forward to our conversations with Don. Please hear him prayerfully as he shares with you.

Respectfully submitted,
Rev. Stephen E. Brock-Loftis, CHM.

Cluster Report: Region 5

The Region 5 Cluster Group came together in January for an initial meeting. We met at West Oxford Church for approximately two hours. There was much discussion concerning the issues that faced our churches and the association as a whole. We felt that this was a productive experience.

The pastors of Region 5 met in May of this year to discuss our feeling about the cluster group, our perspective churches, and the association. We had a very open discussion concerning ministry in our particular cluster. We were not able to make any definite plans, but hope to plan events that meet the needs of our people in the coming year.

Churches in Region 5 are Delrayno, Hester, Oxford, Tabbs Creek and West Oxford.

Randy Bridges

Cluster Report: Region 6

Region 6 cluster group, Brassfield, Corinth, Knott's Grove, Mount Olivet and Peace's Chapel Churches, met on several occasions during the 1992 church year. The meeting was held as a "get to know each other" meeting and at that meeting we decided to plan for a Singspiration that was held on May 24, 1992, at Peace's Chapel Baptist Church.

Each of the five churches attended and provided at least one singing group. Following the Singing, everyone joined in an ice cream social in the fellowship hall.

Each youth group of Region 6 cluster group was invited to a cook-out and activities day with Corinth Baptist Church hosting. There was volleyball, basketball, and other activities provided. Hot dogs with all the trimmings and ice creas were served during the cook-out.

With Rev. Carl Hunter resigning as Cluster Leader, Region 6 finds it necessary to elect, assign, appoint, or draft someone who will encourage our group to continue to meet for various needs, etc. If someone from the churches in Region 6 feels led to step forward as a volunteer for this endeavor, we will be grateful.

Tim Worthington

Cluster Report: Region 7

We have had several meetings this year with pastors and one meeting with pastors and church members. We talked about keeping churches informed of associational activity; passed a resolution that we send a letter to the associational office to be placed in the associational newsletter to all Flat River Baptist churches encouraging them to give systematically to the assocaition. And we also encouraged them to try to give more support to our director of missions and the work of the association.

We met at City Hall for the Day of Prayer on May 7th.

At our last meeting, those pastors who were present decided we didn't really need to meet on a regular basis since all of our churches are involved with the programs of our local churches. We decided to meet only when deemed necessary.

Churches in Region 7 are Creedmoor First, Fellowship, Union, Olive Grove and Pleasant Grove.

Music Report

Music is a vital tool through which we can worship our Lord and share the gospel. In the Psalms, we are instructed to "make a joyful noice unto the Lord". As church musicians, we are challenged to use music as a means to communicate our praise and adoration to God and share out witness for Christ. I am very glad that every church in our Association has an active music ministry.

As a result of our cluster groupings this past year, several musical events have evolved. Several of our churches have had "Singspirations," where choirse, soloists, quartets, etc. from each church in the cluster group have been featured. Other cluster groups have also had events that have included special music. I hope that these events will continue.

One associational-wide event we hope to have in the Spring of 1993 will be a "Praise-

Sing,'' hosted by Butner First Baptist Church. The program will involve previewing and singing songs from the new *Baptist Hymnal* (1991 edition). Be sure to check your associational newsletter for further details.

I would like to encourage every music director to share their copies of music and cantatas with the other churches in our association. This exchange of music is handled through the associational office.

In closing, I would like to say a special ''Thank You'' to all of the musicians that serve in our association. God has given each of you a special talent that can be used to glorify Him and to reach the lost. May God bless you as you strive to serve Him faithfully.

N.C. Baptist Retirement Homes, Inc. Report

The fastest growing segment of North Carolina Baptist life are those individuals in the age category of 85 or older. This age group is also the age group most likely to need the services provided by a long-term care institution like the Baptist Retirement Homes. Unfortunately, in 1992, there were not enough nursing care beds to take care of the needs of those needing long-term care. Adding to the shortage problem, there was the high costs of those beds; costs that the average Baptist older adults could not pay. The quality care provided made matters worse. Therefore, we can say, that there was not enough *affordable, quality nursing care beds* available.

Being aware of the problem, Baptist Retirement Homes for the last five years have been working to develop a system that would take care of this.

In the Piedmont area in 1989, the Brookridge Retirement Community opened and new nursing home beds were available. During this year (1992) quality nursing care will be available in Western North Carolina with the opening of the Rickman Nursing Care Center in Asheville. Hopefully by 1994 there will be affordable quality care in Eastern North Carolina. The support of North Carolina Baptist has made all this possible through their gifts to the Cooperative Program and the North Carolina offering for Older Adults.

Continue to pray and give for this ministry. The need is urgent.

Mrs. Pender Woodlief

The 1992 Annuity Board Report

A growing number of churches and ministers are catching a vision for insurance and preparation for retirement. Unfortunately, far too many pastors, other ministers and church and associational personnel do not have adequate financial protection.

New medical plans will be offered on January 1, 1993, as options to help address the affordability issue. The Church Annuity Plan is far more than a retirement plan. It is a means to provide family protection today as well as financial security tomorrow.

To date, there are 32 persons from 26 churches plus the associational director of missions and secretary participating in the Church Annuity Plan. Throughout the Southern Baptist Convention, as of May, 1992, 34,571 persons were participating in the Church Annuity Plan. This number involves 19,930 churches.

For more information on being eligible in the Chruch Annuity Plan and what the Plan has to offer for you as a pastor, another minister, or staff member, please call the associational office or our Baptist State Convention. We would encourage every church to participate in the Church Annuity Plan.

We are grateful that the Annuity Board is celebrating 75 years of keeping the confidence of the people we serve. Our ministry continues to be "Serving Those Who Serve the Lord."

The *Biblical Recorder Report*

Last year we reported to you: "The Baptist world is changing rapidly; some would contend it is for good while others think it is nothing short of a tragedy." In these past 12 months, the changes are beyond description — on the world scene and in Baptist life.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose. Never was the *Recorder* more needed than now.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where we often think we know the answers to the issues only to discover we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragements to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the *Recorder,* Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what is costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and chruches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact: *The Biblical Recorder,* 232 West Millbrook Rd., Raleigh NC 27609. Telephone is (919) 847-2127.

Respectfully prepared by *The Biblical Recorder* Staff,
Dr. John Owens, FRBA Representative, *Biblical Recorder*

American Bible Society Report

In 1991 the American Bible Society celebrated 175 years of outreach to people around the world. The war in the Persian Gulf offered a great opportunity to reach men and women in the Armed Forces. More than 300,000 Bibles with special camouflage covers and 100,000 New Testaments were share with those involved in Desert Storm. In May, the ABS released a new English translation of the New Testament, The Contemporary English Version, entitled Bible For Today's Family. Orginally designed for young people it has appeal for a much wider audience and is rapidly becoming one of the most popular versions.

The ABS continues with its outreach to individuals, churches, correctional institutions, schools, hospitals, and nursing homes, community organizations and other Christian ministries.

The ABS attempts to reach every man, woman and child in the United States with at least some portion of God's Word.

Much of the successful sharing of almost 100 million Scriptures throughout the U.S. in 1991 can be attributed to the active and dedicated corps of volunteers.

The active support of more than 100 denominations and agencies across the country was enlisted. This support was also promoted through focus on Bible Sunday, traditionally celebrated on the Sunday before Thanksgiving. And a "Heritage Program" was developed to encourage more participation in the mission of the ABS from African-American churches.

These denominations and agencies contributed a total of $2,335,694 to ABS in 1991.

The United Bible Societies distributed 236,902,757 Scriptures in 1991.

N.C. Baptist Foundation Report

The North Carolina Baptist Foundation, as an agency of the Baptist State Convention of North Carolina, is committed under the guidance of the Holy Spirit in serving North Carolina Baptists and others in generating an increased awareness of Christian estate stewardship principals as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis.

Earned income distributed and paid to Baptist churches, institutions and mission causes during the fiscal year 1991 was $1,100,606.

Earned income distributed and paid to individuals (with Baptist causes named as future beneficiaries) during the fiscal year 1991 was $1,062,643.

The total market value of Foundation assets as of December 31, 1991 was $36,283,384.

The significance of the Foundation services was illustrated in a recent experience that staff members had while eating in a fast food restaurant in Durham. In taking a seat adjacent to a table occupied by a young black police officer, we observed the enthusiasm of a white lad of about 4 years of age as he stood talking to the officer. As the mother and a younger child, coming from another area of the restaurant, called for the lad to join them, he walked away from the table six to eight feet, turned around and said to the officer, who was now standing and preparing to leave, "Can I give you a hug?" After an affirmative answer from the officer, the child walked over to the officer, reached around his legs and gave him a hug. The officer confirmed to us that he wished the world was filled with people like this child. The example corresponds to to what so many already have done through the Foundation. As they approach the time of leaving this earthly life, they look back affectionately on what the Lord has done for them during their life and decide that they want to leave an expression of their love through an enduring and lasting gift (a "hug," if you please) that will serve the Lord until His return.

Report of N.C. Baptist Children's Homes

The year of 1991-92 was an exhausting year for staff and a myriad of volunteers, but the Baptist Children's Homes of North Carolina (BCH) persevered to finish the run by standing up.

The first statewide fund-raising campaign for BCH was concluded, received its first Thanksgiving Offering since 1979, dedicated expansion of Cameron Boys Camp, broke ground for the new Fleshman-Pratt Education Center in Thomasville, inaugurated an innovative Bible study program at Mills Home, installed two new pastor at campus churches and solidified programs that have placed it among child care leaders for decades.

These efforts enabled BCH to serve more than 1,300 children and families at 13 facilities statewide. The BCH "Give a child a change!" financial campaign concluded by gaining

three-year commitments for $11.2 million, topping the $7.5 million goal, and the challenge goal of $11 million. Significant priorities accomplished in the campaign are: expansion and relocation of Cameron Boys Camp to a more secluded site on its 903-acres of wilderness; ground-breaking for the Fleshman-Pratt Education Center, a model day care facility for infants, toddlers and two-year-olds; a unique Staff Training Institute for child care workers and social workers; and more than $2.7 million committed for permanent endowment.

And, the first Thanksgiving Offering for BCH since 1979 raised $510,000, a sum more than $100,000 greater than that realized through the combined offering with Baptist Hospital and Baptist Retirement Homes. BCH sent $1,000 from the Thanksgiving Offering to the Baptist Children's Homes of Sao Paulo, Brazil as fulfillment of a promise to donate 10 percent of everything received over the goal to our partners in the south.

In addition, BCH maintained the partnership with our Brazilian counterparts by sending three training teams to Brazil, and hosting a group of Brazilian pastors in Thomasville.

Baptist Children's Homes provides a safe environment where children learn to name their problems and set goals to overcome them, which leads to behavior change. At the same time, willing family members also are addressing their problems with the help of BCH social workers. In many cases, children and families are restored.

Continue to renew your commitment to cooperative giving through the Cooperative Program among our churches as this is what anchors our budget planning. BCH receives $1.5 million from Cooperative Program receipts each year. An increasingly important aspect of our support comes from estate gifts and bequests. More and more people who want their resources to provide new life for children include BCH in their wills.

Updated History of West Oxford Baptist Church

West Oxford Baptist Church, located at 101 Pine Tree Road in Oxford, was last featured in the Flat River Baptist Association Annual in 1973 and the history is being updated now.

The Rev. Harvey Beeler began serving as pastor January 1, 1973 and remained until the end of August, 1975. This same year the church voted to purchase an activity bus. Dr. Roger Crook from Meredith College was interim.

The Rev. Allen Raines became pastor January 1, 1976. Mr. Garland Almond, a retired layman, started the tape ministry and faithfully carried the Sunday sermon on tape to all shut-ins until he was no longer able.

On August 13, 1978, Shirley Newton Day was held. Shirley was pianist, organist, and choir director and had been since she was in her teens. Everyone was invited to write a few lines for an appreciation booklet made for her. Mrs. Newton continues to serve in the above capacities.

The church was renovated inside and out in the summer of 1979. A steeple was put on the church and the front was redone. Painting was done inside, new carpet installed over the whole church and some classes were redone along with the front renovation. The dedication was held November 4, 1979.

Rev. Raines left West Oxford Church in May of 1981. Dr. Maurice Cooper, director of Church Training at the Baptist State Convention of N.C., became interim; and Dr. Jim Simpson from the same department assisted. Rev. Steve Bolton was called as pastor to begin January 1, 1982 and under his leadership the church began to grow. Rev. Bolton left in September, 1984. Dr. Jim Simpson, assistant Church Training Director, Bapt. State Conv. of N.C., became interim pastor. In late 1984, the parsonage was renovated at a cost of $8,000 - new bathroom fixtures, carpet, paint, and curtains. Rev. Allen Raines

was invited back to preach at Homecoming, October 14, 1984. This Homecoming marked the paying for the renovations of 1979, five years earlier, and the note was burned during this observance.

Dr. Simpson had to leave as interim the end of May, 1985. Rev. Robert L. Phillips, Jr., moved back in the area to attend Southeastern Baptist Theological Seminary to work toward his doctorate and he became interim pastor in June, 1985. On September 8, 1985, Rev. Phillips became the pastor. Since he had purchased his own home before coming to West Oxford, the church approved the sale of the parsonage. It was appraised at $69,500 and sold for $65,000.

The church celebrated its 75th anniversary and homecoming on September 22, 1985, with Rev. Harvey Beeler, former pastor, preaching. A letter recognizing this anniversary was received from President Ronald Reagan. Mr. Allie Ellington, mayor of the City of Oxford, presented the church, through Pastor Phillips, a certificate from the Board of Commissioners recognizing this anniversary.

The church for the first time elected two women deacons in September, 1986. Mrs. Janie Dickerson and Mrs. Emma Williams were ordained on Sunday, September 28, 1986.

Rev. Robert Phillips' last Sunday as pastor here was January 22, 1989. He had completed his studies at Southeastern Seminary except the writing of his paper. Dr. Maurice Cooper of the Baptist State Convention became interim in February, 1989 and served until June 14, 1989.

Rev. Larry Ray Zaky began as pastor June 11, 1989. The Sunday School attendance began to climb into the 90's. The church voted to replace an old furnace which was done December, 1989 at cost of $4,500.

The church voted April 17, 1989 to be incorporated for the protection of the members. This process began in May, 1989 and was finalized January 21, 1990.

West Oxford voted on April 22, 1989 to build a fellowship hall. Ground was broken July 15, 1990. A fund was begun for a new organ August 5, 1990 with an initial offering of $1,535. On July 8, 1990, the church received $5,820 from the Nolie Knott Estate; the stipulation was it must be spent on a new building, so it was applied to the fellowship hall.

The fellowship hall was dedicated at Homecoming, November 4, 1990, with Rev. Bud Abbott, former pastor, preaching. The first Hanging of Greens Service was Novemer 28, 1990. The first Children's Day was Sunday, March 17, 1991. Rev. Henry Gray dressed up as a Biblical character and brought the morning message. There was a hot dog lunch and clowns presented a program after lunch.

The church voted to purchase a new organ September 8, 1991. It was installed November 26, 1991 and dedicated February 9, 1992 at a special service at 4:00 p.m. The organ was paid for two years from the day the fund was begun.

Updated History of Hester Baptist Church

Hester Baptist Association was first featured in the FRBA Annual in 1973. Since then the church has been involved in exciting forms of mission and ministry.

History is something that we all have. Certainly in the life of a church it is important significantly. For without the faithful of the past there would be no present to celebrate. Hester Baptist Church is grateful for its history as we continue to travel on.

Hester Baptist Church began with 18 people who agreed to meet on Saturday before the 2nd Sunday in September of 1823. The Church was named in honor of Captain Benjamin F. Hester who donated the land to be used for the Church. The first meeting house was simply a log structure 20 x 20 feet. This structure was used to worship in for 18 years until in 1841 a frame building was erected. In 1849 the Church purchased additional land from Rhodes N. Herndon where the present facilities are located. The frame building was used until 1918. On July 14, 1918, the Church dedicated a new cross shaped structure made of brick with an auditorium and seven Sunday School rooms. In 1951 additional educational space was added to the left side of the sanctuary and in 1968 more educational space was added to the right side of the sanctuary.

The Church has maintained a cemetery since the late 1800s and purchased additional land in 1976. The new cemetery has not been opened as of yet.

In 1976 Mrs. Charles Bridgers was ordained into Christian service. Mr. Robert Morgan completed renovation and addition to the choir loft and baptistry and addition of the church parlor given in memory of Mrs. Julia Carrington by her family.

The youth, working with the Home Mission Board, went on a trip to Erie, Pennsylvania for the second year. The youth and leaders were inspired by the work done.

On September 4, 1977 Rev. Tilden and Linda Bridges were commissioned as they were appointed missionaries to Taiwan.

Rev. Tom Lolley resigned as pastor October 2, 1977, and accepted the call to First Baptist Church, Old Fort in the western part of North Carolina.

Dr. Garland Hendricks agreed to serve as interim pastor. He did a wonderful job and the church enjoyed his ministry.

Rev. Roy Parker was unanimously received to become pastor of Hester and he began October 29, 1978.

Mr. Paul Joseph began his duties as youth and educational director in January, 1979. Also during the year, the Church had its records microfilmed at Wake Forest University.

During 1979 the Church voted to install new pews and cushions; carpet was installed in the nursery.

Rev. Paul Joseph resigned as associate pastor and ministry of youth in June, 1980. Miss Cynthia Preddy began duties as director of youth and music on July 1, 1980. She served for one year in this capacity.

Mr. Johnnie Currin resigned as church treasurer after serving 30 years. He was recognized for his faithfulnes during the worship service. Mrs. Janet Barlowe (Mrs. F.R. Barlow) was elected as church treasurer and continues to serve in this position. Presently serving as church clerk is Mrs. Mildred M. Dean (Mrs. Alfred Dean, Jr.).

Miss Brenda Kneece was called as director of music/youth on September 15, 1981. In January, 1983 the Church began having monthly churchwide family nights which include supper and organizational meetings.

Rev. Roy Parker resigned as pastor in July, 1984 to accept the call as pastor of Momeyer Baptist Church in Nashville, North Carolina. Dr. Malcolm Tolbert, professor at Southeastern Baptist Theological Seminary, served as interim pastor for one and one-half years. He led the Church forth in maintaining a cooperative spirit.

Rev. Randy Bridges and family began their ministry at Hester on May 5, 1985. He came from Bethel Baptist Church in Phenix, Virginia and continues to minister with this church as pastor.

In recent years the Church has made major renovations of Sunday School classes by painting, carpeting, and furnishing; primarily through memorial funds.

In 1991 the Church built and dedicated a new pavilion. This facility is being used for stews, picnics, and fellowships. It was built by a contractor in the church, Mr. Sherwood Clark. Adjacent to the pavilion is a cement pad for basketball and recreational events. The pavilion has been a needed addition.

The Church was benefactor of a gift of over $160,000.00 by the Marsh H. Currin Family in the Spring of 1992. It was given in memory of Mr. Marsh H. Currin and can be used at the church's discretion over a twenty-year period.

In December of this year, the Church voted and elected to pave the lower parking lot. We hope this will add to available space for parking.

The Church continues to maintain a spirit of cooperation. This is due in part to good leadership and shared decision making within the Church. With all of its material and financial assets, the Church has the greatest asset - its people. Its past has been great, but its future even looks brighter.

Hester Baptist Church has been served well by those who have led in the past. The Church has had only 17 pastors in 169 years.
